- **Test Lighting:** Look at the lighting settings to make sure they're right for putting on makeup.
- **Store the Charging Cord:** To keep it from getting lost, keep the USB charging cord in a separate compartment.
- **To get ready for a trip:** Make sure the bag is closed properly and put it in your suitcase or use the handle to take it.
- **Charge the Battery:** The 2000mAh battery needs to be charged every so often so that the LED can be used without stopping.
- **Test how easy it is to carry:** Make sure the handle is safe and comfortable.
- **Information about the Guarantee:** Keep the warranty card handy in case you need it again.

## CARE & MAINTENANCE

- **Clean it often:** Use a wet cloth to wipe the PU leather surface clean of dirt and stains.
- **Avoid Overloading:** Do not put more things in the bag than it can hold to keep the zippers and sections from getting damaged.
- **Protect from Water:** The bag is waterproof, but don't submerge it in water to keep it in good shape.
- **Charge Correctly:** To charge the LED mirror, only use the USB cord that came with it. Do not use any other cables.
- **Handle Carefully:** Use the handle to carry the bag so that it doesn't fall over by chance.
- **Keep the Bag in a Cool Place:** To protect the PU leather and gadgets, don't let the bag get too hot or too cold.
- **Keep Brushes Clean:** To keep them clean, wash the makeup brushes that are stored in the rubber pockets every so often.
- **Avoid Sharp Objects:** To keep the lining from getting torn, don't store sharp objects loosely inside the bag.
- **Check LED Battery:** Check the 2000mAh battery on a regular basis to make sure it works well and lasts a long time.
- **Secure the Zippers:** When you put the bag away, make sure the zippers are all the way closed so that nothing falls out.
- **Dust the Mirror:** Use a cotton cloth to gently clean the LED mirror so that it doesn't get scratched.
- **Check the Dividers:** Check the dividers for wear often and replace them if they need to be.
- **Organize Neatly:** Keep things in order so the bag doesn't get too crowded and hard to use.
- **Safely Store Cables:** Keep the USB charging cord in a safe place so it doesn't get tangled or broken.
