ChopSabers LED Glowing Light Chopsticks

Launch Date: July 21, 2019

Price: \$19.99

Introduction

With the ChopSabers LED Glowing Light Chopsticks, your meal will have a fun, future feel. They are made with bright LED lights in red, blue, green, and purple that make every meal feel like a journey. The food-grade plastic used to make these chopsticks is BPA-free, so they are safe and will last a long time. They are great for adults and kids 11 years and older because they are light and ergonomically made. ChopSabers are good for the environment and easy to use for a long time because the batteries are easy to change and the blades can be used more than once. You can use these chopsticks to make sushi, noodles, or a sci-fi-themed party more interesting. ChopSabers are a must-have item that are great for cosplay events, parties, or as thoughtful gifts for science fiction fans. They are ready to use right out of the box because the LR41 batteries are already in them. They're built to last and are easy to clean and take care of. ChopSabers LED Glowing Light Chopsticks are about to make your meals more fun.

Package Includes

1. Two pairs of ChopSabers LED Glowing Light Chopsticks(four chopsticks total)
2. Pre-installed LR41 batteries (3 per chopstick)
3. Pull tabs for battery protection
4. Instructions for battery replacement and care

Features

1. LED Lights That Glow

- For a fun and modern look, bright LEDs light up the chopsticks.
- There are many color choices, such as red, blue, and an 8-color mode for more complicated models.
- Great for parties, special events, or just making your meal more enjoyable.

2. Material that lasts and is safe

- It is made of food-grade plastic that doesn't contain BPA, so it is safe to use with food.
- Built to last, it can be used over and over again without getting worn down or damaged.

3. Light design

- Each pair is only 1 oz, so kids and adults can easily wear them.
- Ergonomic shape makes it easy to hold food securely while eating.

4. Batteries that can be changed

- Each chopstick comes with three LR41 batteries that are already installed and easy to change.
- There are long-lasting batteries included, so you can use the chopsticks right away.

5. Wide Range of Uses

- Great for sushi, ramen, noodles, and many other foods from Japanese, Chinese, Thai, and Vietnamese cuisines.
- It's great for theater, sci-fi events, birthdays, and holiday parties.

6. Appeal Worthy of a Gift

- It comes in stylish gift boxes that can be used again and again, making it a great gift for intergalactic saga fans or anyone who likes unique kitchen tools.

- A must-have for Christmas or birthday stocking stuffers.

7. Reusable and good for the environment

These can be used more than once and are easy to clean, so they are a green option to single-use chopsticks.

8. A hands-on experience

“The fate of the galaxy lies in your hands!” You can tell a fun story while you eat, and the lights can be turned on and off with a button press.

9. Modes with more than one color

Advanced models have 8 color modes that can be changed with the touch of a button, so you can make them fit any occasion or mood.

Usage

Activate the Lights:

- Remove the battery protection pull tabs.
- Press the button at the base of each chopstick to activate the LED lights.
- For multi-color models, press the button to cycle through color modes.

Using the Chopsticks:

- Use them like traditional chopsticks to enjoy sushi, noodles, and other dishes.

Turn Off the Lights:

- Press the button again to power off the LED lights after use.

For Themed Events:

- Set the ambiance with glowing lights, perfect for sci-fi movie nights, cosplay, or themed dinners.

Care and Maintenance

Cleaning:

- Clean the chopsticks by wiping them with a damp cloth or washing them gently by hand with mild soap.
- Avoid submerging them in water to prevent damage to the LED components.
- Do not place it in a dishwasher.

Battery Replacement:

- Open the battery compartment by unscrewing the base of the chopsticks.
- Replace the LR41 button cells, ensuring correct alignment of positive and negative terminals.
- Secure the compartment lid before use.

Storage:

- Store the chopsticks in their original box or a clean, dry location to maintain their quality and functionality.

Conserve Battery Life:

- Always turn off the lights when not in use to extend battery life.

Troubleshooting

LED Lights Not Turning On

- **Solution:**
 - Check the battery compartment to ensure the batteries are properly installed.
 - Replace old batteries with new LR41 button cells if necessary.

Dim Lighting

- **Solution:**

Replace batteries as dim lighting indicates low power.

Button Not Working

- **Solution:**
 - Ensure the button is not obstructed by debris. Clean gently if necessary.
 - If the issue persists, check the battery connection or contact the manufacturer.

Chopsticks Not Holding Food Properly

- **Solution:**

Ensure the chopsticks are aligned correctly. If misaligned, adjust them gently to restore proper functionality.

Electrical Malfunctions

- **Solution:**

Avoid exposing the chopsticks to water or high humidity, as it may damage the internal electronics. Contact customer service for repair or replacement if issues persist.

Pros and Cons

Pros	Cons
Fun and engaging for themed events	Requires practice for effective use
Bright LED lights enhance dining experience	Not suitable for high-temperature foods
Reusable and easy to clean	The handle may be sensitive to water exposure

Warranty

The ChopSabers come with a standard warranty covering manufacturing defects. Please refer to the product packaging for specific warranty details and duration.

FAQs
