CIO Co., Ltd.
Founded in 2017 in Osaka, Japan, CIO Co., Ltd. is a manufactur- ing and sales company focused on dealing with the latest gadgets and smartphone accessories. With the concept of "Delivering the latest, most exciting gadgets", the company offers its products through its e-commerce site and physical stores.
We always pay attention to the latest technology and continuously strive to develop products that increase the level of convenience for users. We offer high quality products in accordance with Japanese standards, but at the same time, we offer high cost performance as only an overseas manufacturer can.
It is our pleasure to provide convenient gadgets to our customers.

Introduction

Thank you for your purchase.
Please read the "USER MANUAL" carefully before use and use it correctly.
