## CHANGE DATE & TIME

1. You can click the clock on the home page to change the time.

2. OR – click the SETTINGS app, then click SYSTEM, and change the date and time there.

Once you click SYSTEM – then DATE AND TIME , there will be a bunch of options with slider buttons turned on

Turn all of these slider buttons OFF – scroll, and turn them all off.

Then, you can manually set the date and time. All of the other options need to be turned off.
