CleanPro TDC101 Architectural Teardrop Class 100 Cleanroom LED Luminaire

Product Information

- **Specifications**
    - **Product Name:** TDC100/101 Cleanroom Luminaire
    - **Mounting Type:** T-bar grids
    - **Backplate:** Included with Mounting Hole
    - **Year:** 2023

Product Usage Instructions

- **Mounting the TDC100/101 Cleanroom Luminaire on T-bar grids**
    - Locate the T-bar with the Studded Support Clip provided by others.
    - Attach the Studded Support Clip to the T-bar.
    - Position the TDC100/101 Backplate with the Mounting Hole against the T-bar.
    - Secure the luminaire to the grid by inserting the stud through the mounting hole.
    - Use a nut to secure the stud from the inside of the luminaire.

FAQs

- **Q: Can I mount the TDC100/101 Cleanroom Luminaire on a different type of grid?**
    - **A:** The TDC100/101 luminaire is specifically designed for T-bar grids. Mounting on other types of grids may not be supported and could affect the performance of the product.
- **Q: What should I do if the provided Studded Support Clip is missing?**
    - **A:** If the Studded Support Clip is missing, please contact customer support for assistance in obtaining a replacement clip to ensure proper installation of the luminaire.

MOUNTING INSTRUCTION

- **T-bar with Studded Support Clip** (clip provided by others)
- **TDC100/101** Backplate with Mounting Hole
- **TDC100/101 Mounted to Grid** (stud secured by nut from inside of luminaire)
