Frequently Asked Questions (FAQ)

- **Q: How often should I perform maintenance on the sweeper?**
 - A: Daily maintenance is recommended for optimal performance. Weekly maintenance for ride-on sweepers.
- **Q: What should I do if the sweeper breaks down?**
 - A: Contact Cemas for service and repairs at 01684 850777 or email at info@clemas.co.uk.

Sweeper TLC

The ultimate guide to maintaining your sweeper

Instructions

What You'll Do

To keep your sweeping machine performing its best, it should be frequently maintained by the operators. It's very quick & easy!

What We'll Do

With a servicing package, our engineers will routinely fix any wear and tear to prevent the machine from breaking down later on.

Ride-Ons Differ

Bigger ride-on machines often carry engines which need similar maintenance to cars. The checklist below breaks it down for you.

Maintenance

Sweeper Daily Maintenance Checklist

Task Completed

- Use filter shaker
- Empty waste bin
- Remove debris from bristles
- Check battery levels (N/A)

Completed by (operator name):
