GENERAL INFORMATION

A. Purpose. This request for proposal (RFP) is to contract for visual identity and web design services to Climate United Fund (CUF), a Delaware 501(c)(3) and recipient of a \$6.97 billion grant from the U.S. Environmental Protection Agency (EPA) under the National Clean Investment Fund (NCIF). CUF is a wholly-controlled affiliate of Calvert Impact, Inc.

CUF's coalition partners are CPC Climate Capital, LLC and Self-Help Climate Capital, LLC.

The NCIF is a provision of the Inflation Reduction Act focused on ensuring the clean energy transition brings direct, tangible benefits to all Americans – with a focus on low-income and disadvantaged communities. It has three program objectives: 1) reduce GHG emissions and other forms of air pollutants, 2) bring direct benefits to American communities in the form of energy security, energy savings, cleaner air, and quality jobs, and 3) transform the capital markets so they can drive an equitable clean energy transition at scale.

To learn more about the Climate United coalition and approach, please visit www.weareclimateunited.org.

We are seeking design services to (1) enhance Climate United's visual identity by creating brand guidelines and developing asset templates and (2) design a website that reflects new brand guidance and meets communications goals. We will procure the services in adherence with the requirements set forth in 2 CFR § 200.317 et seq. and EPA's Best Practice Guide for Procuring Services, Supplies, and Equipment. CUF reserves the right to (a) reject any or all proposals without explanation, (b) waive technicalities or irregularities, (c) request additional information from any Proposer (including a list of client references), (d) withdraw this RFP at any time, (e) make such selection deemed in its best interest (in CUF's sole and exclusive discretion), and/or (f) make multiple or partial awards. The award of the contract(s) will not necessarily be made to the organization offering the lowest price. The issuance of this RFP does not imply that CUF is making an offer to conduct, expand, or terminate business with any Proposer. Your preparation and submission of a response does not commit CUF to award the business to any Proposer even if all the requirements are met.

B. Instructions on Proposal Submission. Proposals must be submitted electronically no later than 5 P.M. ET on Jan 8, 2025. All costs incurred in the preparation of a proposal responding to this RFP and/or participating in any interview process will be the responsibility of the Proposer and will not be reimbursed.

C. Confidentiality. The Proposer agrees to keep confidential all nonpublic information about CUF and its coalition partners, and agrees that persons or entities with which the Proposer participates in responding to this RFP will be bound by the same confidentiality obligations. All proposals and other documentation submitted in response to this RFP will not be returned by CUF and may be subject to disclosure in accordance with applicable laws and regulations.

SUSPENSION AND TERMINATION FOR DEFAULT

Climate United Fund ("CUF") may suspend Contractor's operations under the contract immediately by providing written notice of any default. Suspension shall continue until the default is remedied to CUF's reasonable satisfaction; provided, however, that, if after thirty (30) days from such a suspension notice Contractor remains in default, CUF may terminate Contractor's rights under the contract. All of Contractor's obligations to CUF shall survive termination of Contractor's rights under the contract, until such obligations have been fulfilled.

DEFAULT

Each of the following events shall constitute default of the contract by Contractor:

- a.** Contractor fails to perform or comply with any of the terms or conditions of the contract;
- b.** Contractor breaches any covenant, representation or warranty provided herein; or
- c.** Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary.

The termination for convenience shall not relieve CUF from payment for goods and/or services already ordered and rendered as of the effective date of such notice. Contractor shall provide all documentation to support any outstanding expenditures through the effective date of the notice of termination. CUF may request additional documentation to support final payment. Unless otherwise specified above, CUF shall not have any further obligation or liability to Contractor.
