Important Product Information

Important Safety Information

Safe Driving

Motorists, as well as operators of emergency or service vehicles, are expected to exercise all due caution while using this product and to obey all applicable traffic laws.

Security of Your Vehicle

Before leaving your vehicle, always remember to conceal this device in order to reduce the possibility of break-in and theft. Privacy

This device may not be used to violate the privacy rights of others. In no way will Cobra Electronics or its subsidiaries be responsible for the inappropriate use of this product. It is the sole responsibility of the buyer to consult legal counsel for the interpretation of any laws applicable to the area of the intended use of this product.

Forward Collision Warning System

Warning! The forward collision warning system (FCWS) feature, when turned on, is for informational purposes only. The FCWS does NOT replace a driver's responsibility to use safe driving judgment, comply with all traffic regulations, and observe all road and driving conditions at all times. The FCWS uses the camera to provide a warning of upcoming vehicles [and large objects] and, as a result, may have limited functionality in low visibility or certain weather conditions.

Lane Departure Warning System

Warning! The Lane Departure Warning System (LOWS) feature, when turned on, is for informational purposes only. The LOWS does NOT replace a driver's responsibility to use safe driving judgment, comply with all traffic regulations, and observe all road and driving conditions at all times. The LOWS uses the camera to provide determine if the vehicle is drifting toward or departing from designated lane markings and, as a result, may have limited functionality in low visibility or certain weather conditions or when driving on unmarked or poorly marked

roads.

Product Service and Support

For any questions about operating or installing this new Cobra product, PLEASE CONTACT COBRA FIRST . . . do not return this product to the retail store. The contact information for Cobra will vary depending on the country in which you purchased and utilize the product. For the latest contact information, please go to www.cobra.com/support

For products purchased in the U.S.A., you may call 1-800-262-7212 (1-800- COBRA-12).

For products purchased in Europe, you may call 0333 121 2252 or visit www.snooperneo.co.uk.

For Products Purchased in the U.S.A., if your product should require factory service, please go to www.cobra.com/support and follow the instructions for returning your product to the Cobra Factory Service Department for service

Regulatory Information

NOTE: This device complies with part 15 of FCC rules: Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Modifications or parts not approved by Cobra Electronics Corporation may violate FCC Rules and void authority to operate this equipment.

This device complies with RSS-310 of Industry Canada. Operation is subject to the condition that this device does not cause harmful interference.

RF Exposure

FCC RF Radiation Exposure Statement:

1. This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
2. This equipment complies with RF radiation exposure limits set forth for an uncontrolled environment.
3. This equipment should be installed and operated with a minimum distance of 20cm between the device & your body.

The device has been tested and complies with SAR limits, users can obtain Canadian information on RF exposure and compliance.

Industry Canada

This device complies with Industry Canada license-exempt RSS standard(s).

Operation is subject to two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Industry Canada ICES-003 Compliance: CAN ICES-3 (B)/ NMB-3(8)

For Products with Bluetooth® Technology

Frequency Band: 2402~2480 MHz

Maximum RF Power: 6mW

Disposal of Old Electrical or Electronic Equipment

This product may contain hazardous substances that could impact health and the environment if not disposed of properly.

The crossed-out wheeled bin symbol indicates that the product should not be disposed of along with the household waste. It should be handed over to an applicable collection point for the recycling of electrical equipment. By ensuring that this product is disposed of correctly you will help/prevent potential negative impacts on the environment.

If you need more information on the collection, reuse, and recycling systems, please contact your local civic office or the shop where it was originally purchased.

Limited One-Year Warranty

Cobra Electronics Corporation warrants that this product and the component parts thereof will be free of defects in workmanship and materials for a period of one year from the date of first consumer purchase. This warranty may be enforced by the first consumer purchaser. If the product is under warranty, it will be repaired or exchanged depending on the model as determined at Cobra's sole discretion. Such remedy shall be your sole and exclusive remedy for any breach of warranty.

The procedure for obtaining service and support, and the applicability of this warranty, will vary depending on the country or Jurisdiction in which you purchased and utilize the product. For the details on obtaining product service, support and warranty please visit www.cobra.com/support

Provided that the product is utilized within the U.S.A.- Cobra will, without charge, repair or replace, at its option, defective products, products, or component parts upon delivery to the Cobra Factory Service department, accompanied by proof of the date of first consumer purchase, such as a duplicated copy of a sales receipt.

You must pay any initial shipping charges required to ship the product for warranty service, but the return charges, to an address in the U.S.A., will be at Cobra's expense, if the product is repaired or replaced under warranty.

This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state and country to country.

Proof of Purchase Required: Please check your owner's manual for warranty specifics and product service details. For warranty service, you will need to provide proof of purchase from an approved retailer. Please note that if you purchased your product on eBay, Amazon or other 3rd party internet marketplaces, you will need to provide a receipt from the actual seller for verification as an approved retailer.

Exclusions: This limited warranty does not apply: 1) To any product damaged by accident; 2) In the event of

misuse, ordinary wear, failure to follow directions or improper maintenance of the product or as a result of unauthorized alterations or repairs; 3) If the serial number has been altered, defaced, or removed; 4) If the product was purchased or is utilized in a jurisdiction not covered by the limited warranty.

All implied warranties, including warranties of merchantability and fitness for a particular purpose, are limited in duration to the length of this warranty.

Cobra shall not be liable for any incidental, consequential or other damages; including, without limitation, damages resulting from loss of use or cost of installation.

Some states and countries do not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state and country to country.

CONGRATULATIONS!

We trust you will enjoy your Cobra product.

If you have questions about your product or its many features, our Customer Care Experts are here to assist you.
