FEATURES

- It was inspired by the famous kids' show CoComelon, which stars JJ's best friend Cody.
- **Dinosaur toy:** Cody's favorite animal is a cute green dinosaur toy that comes with him.
- **Interactive Play:** For interactive play, press Cody's stomach to play music and lines.
- **Fun phrases and song clips:** Like "Cody's Special Dinosaur Day," are played by Musical Sounds & Phrases.
- **Getting kids to play pretend:** This helps them build their imaginations and role-playing skills.
- When kids play make-believe with Cody and his dinosaur, they are using their imaginations and getting to know each other better.
- The cute design on Cody's shirt is a dinosaur, which fits with his love of the animal.
- **Educational Content:** Songs and lines are based on CoComelon's educational videos, which help kids learn.
- **Ideal Gift:** This is a wonderful present for kids aged 2 and up, especially those who like the CoComelon series.
- **Child-Friendly Size:** It's about 12.25 inches tall, which makes it a great size for little kids to play with and hug.

- **Fun and interesting:** It plays clips from the hit song “Cody’s Special Dinosaur Day,” which keeps kids busy.
- **Plush and soft materials:** It’s safe and comfortable for kids because it’s made from soft, high-quality materials.
- **Simple for Kids:** The tummy press button is simple for little kids to use and enjoy.
- This is a collectible item that is part of a set of CoComelon toys that also include figures, plush dolls, and more.
- **Appropriate Age:** This toy is great for babies because it’s recommended for kids 24 months and up.

SETUP GUIDE

- **Unboxing:** Carefully take the soft toy out of its box and make sure it's still whole.
- **Installing Batteries:** Make sure the batteries are already in. If they aren't, open the battery compartment, put in the three included AA batteries, and close it firmly.
- When you press Cody's stomach, you can hear the lines and music clips. It will turn on the sounds right away.
- **Initial Testing:** Once you've unpacked the item, test all of its buttons to make sure they work.
- **Demo Mode:** When the toy is first turned on, it has a demo mode that lets you see what features it has.
- Press Cody's stomach to play lines and song clips, including the popular song "Cody's Special Dinosaur Day." Set off the music.
- **Change the Volume:** Some versions may let you change the volume; check the settings to see if this is possible.
- When you buy other toys, you can pair Cody with them for a full play experience. For example, you could play with the Snack Time JJ plush, which is sold individually.
- **Toy Storage:** To keep the toy in good shape, store it somewhere safe, clean, and dry when not in use.
- **Cutting Off:** To save battery life, either turn off the toy or put it in test mode when not in use.
- Keep an eye on your kids while they play, especially if the toy is making noises and playing music.
- **Interactive Play:** Let kids press Cody's stomach on their own to help them learn how to play alone.
- **Teach Song Lyrics:** The song clips can be used to teach kids the easy words to "Cody's Special Dinosaur Day."
- **Explore Imaginative Play:** To get kids involved in role-playing games, have them pretend to be Cody and his monster.

- **Getting More Toys:** You might want to buy more CoComelon toys and items to add to your collection.

CARE & MAINTENANCE

- **Clean Spots:** If the soft toy gets dirty, clean them with a damp cloth. Don't use a washing machine.
- **Battery Care:** Take the batteries out of the toy when not in use for a long time to stop leaks.
- To keep the electronics from getting damaged, let the plush dry naturally in a shady spot after cleaning it.
- **Do Not Submerge in Water:** The toy has electric parts, so do not submerge it in water.
- **Protect Against Heat:** To keep the toy safe from damage to the soft or electronics, keep it in a cool, dry place away from direct heat sources.
- **Avoid Putting Too Much Pressure on the Belly:** Be gentle when pressing on the belly to protect the sound module inside.
- **Check for Damage:** To keep things safe, check for wear and tear on a regular basis, especially on the seams or fabric.
- **Changing Batteries:** If you need to, change the three AA batteries and make sure they are in properly.
- **Keep the sound quality high:** Do not drop or rough-handle the toy, as this could damage the sound or music features.
- **Storage:** Keep the toy in its original box or in a clean, dry place when not in use to keep dust from building up.
- **Check for Small Parts:** Make sure that very young children can't get to any small parts, like loose fabric or accessories.
- **Soft Brushing:** Use a soft brush to gently go over the plush's fabric to keep it fluffy and keep its look.
- **Do Not Use Detergents:** Do not use harsh chemicals or detergents on the plush to keep the cloth from getting damaged.
- **Periodic Checking:** Make sure the toy still makes noise and works as expected by checking the sound function from time to time.
- **Putting the toy away in a safe place:** When not in use, keep the toy somewhere small children can't step on it or damage it.

TROUBLESHOOTING

Issue	Solution
The plush feels flat	Gently fluff the plush with your hands or use a fabric softener to restore softness.
Cody's outfit is wrinkled	Lightly steam or iron Cody's clothes on a low setting to remove wrinkles.
Plush material feels rough	Wash the plush according to the care instructions for a softer feel.
The plush has a strange odor	Wash the plush to remove any odors or air it out in a well-ventilated area.
The dinosaur does not stand properly	Adjust the toy's positioning or ensure the plush is on a flat surface.
The plush is missing its accessories	Check the packaging for any loose parts or contact customer support for missing items.
Color fading after washing	Hand wash the plush in cold water and air dry to prevent color fading.
The plush is too small for my child	The product is designed for children 24 months and up; consider upgrading to a larger toy for older children.
Some stitching has come loose	Repair any loose stitches with a needle and thread, or contact customer support.
The plush is losing its shape	Gently reshape the plush after washing and drying it to restore form.
The dinosaur's tail is bent or crooked	Carefully bend the tail back into position, ensuring it doesn't get damaged.
The plush is shedding	Regularly clean the plush by brushing it gently to remove loose fibers.
The plush gets dirty quickly	Spot clean the plush with a damp cloth between washes to maintain cleanliness.
The plush doesn't stand up on its own	Place the plush in a seated position or use gentle support to help it stay upright.
The plush isn't as soft as expected	Make sure the plush is clean and has been fluffed properly after washing.
