## PRODUCT BACK VIEW

## FEATURES

- **Interactive Sound Buttons:** The book has three sound buttons that, when pressed, play sounds that go with the text. This makes reading more fun and interesting.
- **Potty Training Theme:** The story is about J.J. and his brother Tom Tom, who are both learning to use the potty. This makes it relatable for kids who are going through the same thing.
- **Strong Board Book Format:** This book is perfect for toddlers because it is made with strong board pages that can handle being rough-handled by little kids.
- **Happy Pictures:** The bright and interesting pictures keep kids entertained while supporting the themes and messages of the story about using the potty.
- **Built-in Handle:** This book has a built-in handle that makes it easy for little hands to carry. It's great for reading while traveling or on the go.
- **Content That Is Right for Your Age:** This book is perfect for toddlers ages 1 to 2, with simple words and situations that are easy to relate to.
- **Fine Motor Skills:** Each page has icons that match sound buttons. This gives babies a chance to practice matching and improve their fine motor skills.

- **Encourages Reading Out Loud:** The book is great for reading out loud, which helps adults connect with their young charges and improves their reading skills.
- **Officially Licensed Product:** The book is part of the CoComelon brand and has figures and themes that kids like, which makes it more appealing.
- **Short, Interesting Story:** The story is short—only 12 pages—but it gets the point across clearly and will keep the attention of young children.
- **Encourages Emotional Understanding:** The story talks about being nervous, which helps kids understand and talk about how they feel about potty training.
- **Encourages Solving Problems:** The book teaches young readers how to be persistent and figure out how to solve problems by telling them to try again after failing.
- **Collectible Series:** This book is part of a larger sound book series that encourages parents to collect other books to give their child more to read.
- **Easy to Clean:** The board book style makes it simple to clean, so it can be used in many situations, such as when potty training.
- **Durable for Group Use:** Great for use in the school or with a group of kids, so they can explore and learn together while getting to know each other.

## SETUP GUIDE

- **Unboxing:** Carefully take the book out of its box and look at the pages and sound buttons to see if they are damaged.

- **Check for Functionality:** Press the sound buttons to make sure they work right and make the sounds you want them to.
- **Talk Out Loud:** Read the book out loud to your child to start. Show them how the sound buttons work by relating them to the story.
- **Introduce Potty Ideas:** Talk to your child about the idea of potty training and make connections to things they already know or have learned.
- **Engage with the Drawings:** Ask your child to point out different parts of the drawings. This will keep them interested and help them understand better.
- **Practice Pressing Buttons:** Show your kid how to press the sound buttons and get them to match the pictures with the sounds that go with them.
- **Set up a Reading Routine:** Make reading the book a regular part of your child's learning setting by adding it to a daily reading routine.
- **Use While Potty Training:** Read the book to your child before going to the bathroom outside to get them used to the process in a fun and positive way.
- **Encourage Talk:** Ask your child about the story and how they feel about potty training. This will help them talk to you more freely.
- **Explore Other CoComelon Titles:** Give your child more CoComelon books to read to keep their interest up and to gain more reading experience.
- **Interactive Reading:** While reading, have your child act out what they see in the story or talk about how they feel about potty training.
- **Play Sound Games:** Make games where you play sounds and have your child guess which page goes with the sound. This will help them remember things.
- **Use as a Comfort Tool:** If your child is worried about potty training, read the book with them to help them feel better and talk about their feelings and hopes.
- **Incorporate Playtime:** Use figures from the story in make-believe games to help kids remember what they've learned from reading.

## CARE & MAINTENANCE

- **Regularly Check Sound Functionality:** Make sure the sound buttons are still working by pressing them every so often and replacing the batteries if necessary.
- **Clean Up:** Use a damp cloth to wipe the book's surface clean of any dirt or spots that may have formed while it was being used.
- **How to Store It:** When not in use, keep the book in a cool, dry place out of direct sunshine so the colors don't fade.
- **Watch While Reading:** Keep an eye on little kids as they read and play with the book, especially when they press the sound buttons, to make sure they are being safe.
- **Avoid Water:** Keep the book away from water or other liquids to keep the pages and sound parts from getting damaged.
- **Limit Rough Handling:** Teach kids how to handle books gently so that they stay in good shape and last longer.
- **Fix Small Damage:** If the book gets damaged, like pages coming apart, use safe tape to fix it so it stays safe for kids.
- **Encourage Clean Hands:** Tell kids to wash their hands before reading so that the book stays clean.
- **Rotate with Other Books:** To keep the CoComelon book from getting worn out, switch it out with other books your child already has.
- **Keep Away from Dogs:** Keep the book out of reach of dogs so they don't chew on it or damage it.
- **Check the Book Regularly:** Check the book regularly for any signs of wear or damage, and fix any problems right away.
- **Teach Kids the Right Way to Take Care of Things:** To help kids take care of their books, show them the right way to handle and store them.
- **Use Gentle Cleaners:** If you need to, clean the book with a light soap solution instead of harsh chemicals that

could damage the pages.

- **Talk About Sharing:** If the book is shared with other kids, teach them how to keep it clean and wait their turn.
- **As Needed, Change the Batteries:** If the sounds start to fade, check the battery box and change the batteries as needed to get the device working again.
