coldSky YM01 Digital Display Electric Lint Shaver

Price:\$24.98

Introduction

The coldSky YM01 Digital Display Electric Lint Shaver is a revolutionary product that will make cleaning your clothes easy and quick. This lint shaver is made with fine engineering and new features that make it easier to use and better at its job. Say goodbye to ugly lint, fuzz, and fabric pills with the coldSky YM01. It will easily bring your clothes back to their original, perfect state. Its sleek and flexible design makes it easy to hold and move around while you're using it. If it has a digital display, you can see important details like the battery level and operation state at any time. This machine can handle different types of fabric with accuracy and ease thanks to its high-speed motor and adjustable shaving height. Enjoy the ease of a collection bucket that can be taken off, making cleanup a breeze after each use. You can trust the safety feature that turns off immediately when the blade cover is taken off. This gives you peace of mind while you're using it. The coldSky YM01 Digital Display Electric Lint Shaver will help you take better care of your clothes and give you a clean, lint-free closet every day.

Specifications

- **Brand:** coldSky
- **Material:** 3 Stainless Steel Blades
- **Colour:** White
- **Product Dimensions:** 2.67 inches Diameter x 2.75 inches Width x 4.92 inches Height
- **Handle Material:** Remover
- **Operation Mode:** Automatic
- **Item Weight:** 6.2 ounces
- **Item Model Number:** YM01
- **Batteries:** 1 Lithium Ion battery is required. (included)

Package Includes

- 1 x coldSky YM01 Digital Display Electric Lint Shaver
- 1 x USB Cable
- 1 x Cleaning Brush
- 1 x User Manual

Features

1. **Digital Display:** Provides real-time information on battery level, speed level, and charging status.

2. **High-Speed Motor:** Features large-size 6-leaf blades, a built-in suction system, and a powerful motor for efficient removal of lint and fuzz, saving time and effort.

Built-in Suction Device

Lint Nowhere to Escape

3. **Adjustable Shaving Height:** Three adjustable speeds and removable mesh for customization according to fabric type and thickness.
4. **Ergonomic Design:** Stylish appearance with an ergonomic grip for comfortable and fatigue-free usage.

Comfortable Grip and Ergonomic Design

5. **Safety Mechanism:** Automatically stops when the blade cover is released or removed, preventing damage to fabric or injury.
6. **Detachable Collection Container:** Easy-to-clean 100ml storage bin, accommodating up to 25 pieces of clothing lint, enhancing convenience and efficiency.
7. **Quick And Efficient Fabric Shaver:** Increases efficiency by 100%, saving 50% of time compared to traditional fabric shavers. Provides a fresh look to pillied garments in minutes.
8. **Large Capacity Rechargeable Battery:** 1200mAh battery with multiple charging methods, offering up to 120 minutes of operation on a 1.5-hour charge, reducing the need for frequent battery replacements.

9. **Multipurpose for All Fabric Types:** Suitable for various fabrics including winter coats, sweaters, scarves, gloves, plush toys, car cushions, sofas, bedding, curtains, and more.
10. **Fine Grinding:** The coldSky YM01 Digital Display Electric Lint Shaver boasts an advanced Fine Grinding 6-leaf Stainless Steel blade system designed to deliver unparalleled precision in fabric care. Crafted with meticulous attention to detail, these stainless steel blades undergo a fine grinding process, ensuring exceptional sharpness and durability. With six precisely engineered blades, this cutting-edge system offers superior efficiency in removing lint, fuzz, and fabric pills from a wide range of clothing items and fabrics.

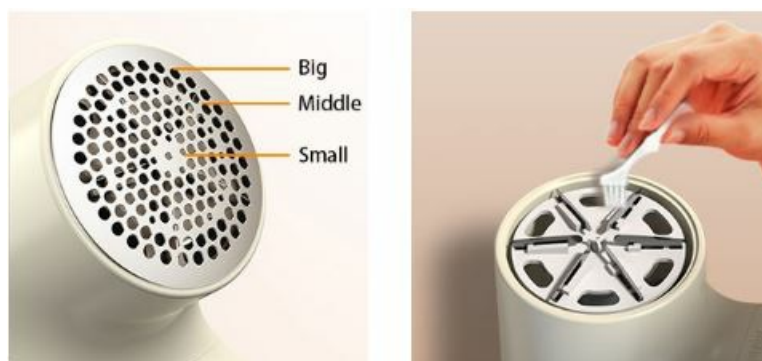

Fine Grinding 6-leaf Stainless Steel

11. **Dual Protection:** A thickened honeycomb protective net cover protects the fabric from scratching, while automatic shutdown prevents danger or damage when the cover is released or removed.
12. **Compact and Portable:** The compact size (4.95" x 2.67" x 2.87") and lightweight design (6.34 ounces) make it perfect for travel or home use.

13. **Easy to Clean:** Comes with a cleaning brush for quick maintenance of the blade, ensuring optimal performance.

14. **Three Sizes of Mesh**

Three different sizes of removable mesh easily capture all sizes of lint. Suitable for all kinds of fabrics.

15. **Enlarged Storage Bin**

16. 100ml enlarged storage bin, the capacity increased by 100%, and you can collect 25 pieces of clothes lint at a time.

Usage

1. Turn on the lint shaver by pressing the power button.
2. Select the appropriate shaving height based on the fabric type.
3. Gently run the shaver over the fabric surface, moving in a circular motion to remove lint and fuzz.
4. Periodically empty the collection container to maintain optimal performance.

Care and Maintenance

- Ensure the device is turned off and unplugged before cleaning.
- Use the provided cleaning brush to remove any lint or debris from the blades and collection container.
- Wipe the exterior of the lint shaver with a soft, damp cloth to remove any dust or residue.
- Store the device in a cool, dry place when not in use to prevent damage.

Troubleshooting

Issue	Possible Cause	Solution
Lint shaver does not turn on	1. Battery is depleted. 2. The device is not properly plugged in.	1. Recharge the battery or replace it if necessary. 2. Ensure the device is correctly plugged into a power source.
Blades are not effectively removing lint	1. Blades are dull or damaged. 2. The shaving height is not adjusted properly. 3. The collection container is full.	1. Replace the blades if they are dull or damaged. 2. Adjust the shaving height to suit the fabric thickness. 3. Empty the collection container and clean it thoroughly.
The collection container is full and not collecting lint	1. The collection container is not emptied regularly. 2. The collection container is not installed correctly.	1. Empty the collection container and clean it as needed. 2. Ensure the collection container is properly installed and securely attached to the device.
The device stops during the operation	1. Overheating. 2. The safety mechanism is triggered.	1. Allow the device to cool down before using it again. 2. Check for any obstructions or loose components triggering the safety mechanism, and resolve them.
Fabric is snagged or pulled during operation	1. Blades are damaged or misaligned. 2. Fabric is caught in the blades.	1. Replace the blades if they are damaged or misaligned. 2. Stop the device immediately and carefully remove the fabric from the blades.
Excessive noise during operation	1. Blades are loose. 2. Foreign objects stuck in the blades.	1. Tighten the blades securely. 2. Stop the device, unplug it, and carefully remove any foreign objects from the blades.
The device does not shut off automatically	1. The safety mechanism is faulty. 2. The cover is not properly installed.	1. Contact customer service for repair or replacement. 2. Ensure the cover is correctly installed and securely attached to the device.

Pros and Cons

Pros:

- Digital display for easy operation
- Versatile three-speed settings
- Replaceable blades for longevity
- Efficient lint and pill removal

Cons:

- Not suitable for all fabric types
- May require blade replacements over time

Customer Reviews

Customers rave about the coldSky YM01's performance:

- "Effortlessly removes lint and pills."
- "Love the digital display feature."
- "Great value for the price."

FAQs

What is the primary function of the coldSky YM01 Digital Display Electric Lint Shaver?

The coldSky YM01 Digital Display Electric Lint Shaver excels in removing lint and pills from fabrics, providing a fresh look to garments

How does the coldSky YM01 Digital Display Electric Lint Shaver contribute to garment maintenance?

The coldSky YM01 Digital Display Electric Lint Shaver efficiently removes fur and revitalizes pilled, fuzzy garments, enhancing their appearance in just a few minutes

What key feature does the coldSky YM01 Digital Display Electric Lint Shaver offer for user convenience?

The coldSky YM01 Digital Display Electric Lint Shaver is equipped with a digital display, making it user-friendly and easy to operate

How does the coldSky YM01 Digital Display Electric Lint Shaver stand out in terms of functionality?

The coldSky YM01 Digital Display Electric Lint Shaver boasts replaceable blades and three-speed settings, enhancing its versatility and longevity

In what ways does the coldSky YM01 Digital Display Electric Lint Shaver improve the appearance of garments?

The coldSky YM01 Digital Display Electric Lint Shaver effectively eliminates lint and pills, giving garments a renewed and neat look with its precise operation

What is a notable feature of the coldSky YM01 Digital Display Electric Lint Shaver that aids in its performance?

The coldSky YM01 Digital Display Electric Lint Shaver is designed with sharp blades that ensure efficient removal of lint and pills from various fabrics

How does the coldSky YM01 Digital Display Electric Lint Shaver enhance user experience during garment care?

The coldSky YM01 Digital Display Electric Lint Shaver offers a user-friendly experience with its digital display and large design, simplifying the process of fabric maintenance

What makes the coldSky YM01 Digital Display Electric Lint Shaver a practical tool for fabric care?

The coldSky YM01 Digital Display Electric Lint Shaver's ability to remove fur and revitalize garments quickly makes it an essential tool for maintaining the quality of fabrics

How does the coldSky YM01 Digital Display Electric Lint Shaver cater to different fabric types?

The coldSky YM01 Digital Display Electric Lint Shaver's three-speed settings allow users to adjust the operation according to the fabric type, ensuring optimal results

What distinguishes the coldSky YM01 Digital Display Electric Lint Shaver from traditional lint removers?

The coldSky YM01 Digital Display Electric Lint Shaver's digital display and replaceable blades set it apart, offering advanced features for efficient fabric care

How does the coldSky YM01 Digital Display Electric Lint Shaver simplify the process of garment maintenance?

The coldSky YM01 Digital Display Electric Lint Shaver's precise operation and digital display make it easy for users to remove lint and pills, rejuvenating garments effortlessly.

What role does the digital display play in the functionality of the coldSky YM01 Digital Display Electric Lint Shaver?

The digital display on the coldSky YM01 Electric Lint Shaver enhances user experience by providing clear information and control options for effective fabric care

How does the coldSky YM01 Digital Display Electric Lint Shaver contribute to extending the lifespan of garments?

By efficiently removing lint and pills, the coldSky YM01 Digital Display Electric Lint Shaver helps maintain the quality of garments, prolonging their usability and appearance

What advantage does the coldSky YM01 Digital Display Electric Lint Shaver offer in terms of fabric care?

The coldSky YM01 Digital Display Electric Lint Shaver's sharp blades and three-speed settings ensure thorough lint and pill removal, preserving the fabric's quality and appearance

How does the coldSky YM01 Digital Display Electric Lint Shaver align with modern fabric care needs?

The coldSky YM01 Digital Display Electric Lint Shaver's digital display, replaceable blades, and efficient operation cater to contemporary fabric care requirements, making it a valuable tool for garment maintenance
