Specifications

Icon Part Number	402546
ICON model	MP7-ARGON-C
Description	7 inch display tablet, with touch, and core board
OS	Android 8
CPU Manufacturer	MTK
CPU Model	MT8163 V/B
CPU Core Model	Cortex A53 / Quad core
CPU Frequency	1.3 GHz
LPDDR3	2G
Mass Memory	8GB NAND
Resolution	1024 (H) x600(V)
Aspect Ratio	10 06
Contrast	500:1
WiFi	802.11a/b/g/n

Bluetooth Version	BT4.0
Front Camera	2M pixels
Adapter	5V/2A (not included)

Statement

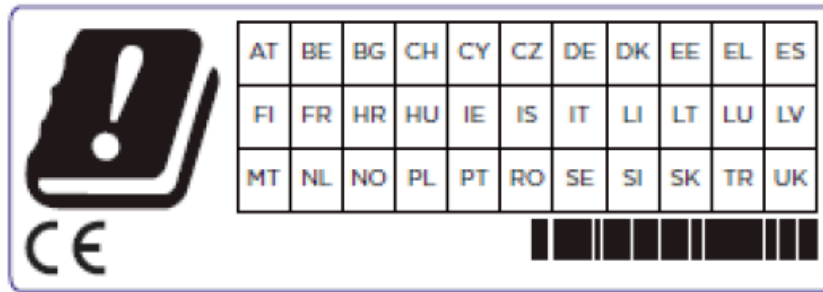

For CE

Manufacturer declaration

We, Unicom Global, Inc., declare that the submitted product(s) is/are representative of the model(s) listed below and that each factory listed manufactures identical product(s):

Model(s)

- MP7 ARGON C
- MP10 ARGON C
- MP21 ARGON C

Factory: COMPAL DISPLAY ELECTRONICS (KUNSHAN) CO., LTD. NO. 1881 Liji Road Shipai Bacheng Town, Kunshan, Jiangsu, P.R.China.

For FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC CAUTION: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications not expressly approved by the party responsible for compliance could void the authority to operate the equipment. This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter. For products available in the USA/Canada market, only channel 1~11 can be operated. Selection of other channels is not possible.

For IC

This device complies with Industry Canada's license-exempt RSS. Operation is subject to the following two conditions: (1) This device may not cause interference; and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

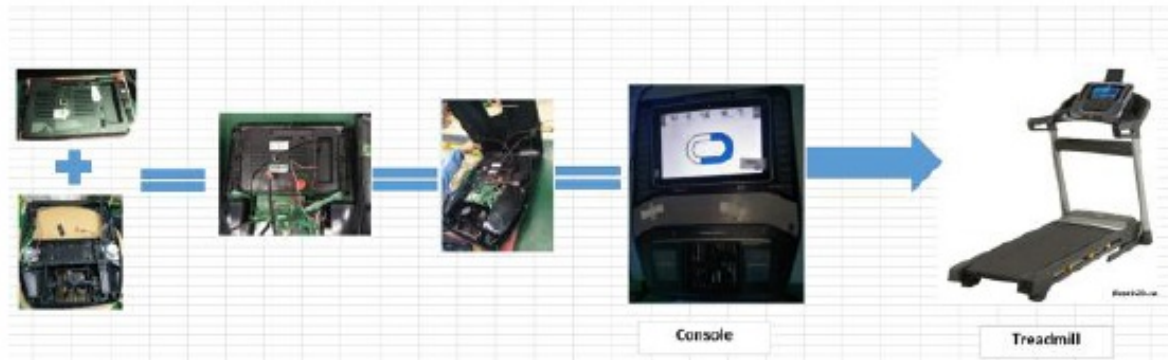

Co-located

- This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter.

RSS-247 6.4(5)

1. the device for operation in the band 5150–5250 MHz is only for indoor use to reduce the potential for harmful interference to co-channel mobile satellite systems;
2. for devices with detachable antenna(s), the maximum antenna gain permitted for devices in the bands 5250-5350 MHz and 5470-5725 MHz shall be such that the equipment still complies with the e.i.r.p. limit;
3. for devices with detachable antenna(s), the maximum antenna gain permitted for devices in the band 5725-5850 MHz shall be such that the equipment still complies with the e.i.r.p. limits specified for point-to-point and non-point-to-point operation as appropriate.
4. the worst-case tilt angle(s) necessary to remain compliant with the e.i.r.p. elevation mask requirement set forth in Section 6.2.2(3) shall be clearly indicated.

Assembly & Using

- Assemble module and shell, combine PCB and other components to be a console;
- Assemble console and other components(Belt, motor, metals holder, etc.) to be a treadmill, elliptical, etc.
- Using console to control the whole treadmill
