| Package contents       | BIAN09G<br>Quick Installation Guide                               |

### System Requirements

- Windows 7/8/10/11
- macOS, Chrome OS, Android
- PC, laptop with available USB-C port

### Installation and usage

1. Connect the card reader to a compatible USB-C port on your computer (USB 3.2 Gen 2 is recommended for optimal performance).
2. Carefully insert your CFast 2.0, SD, or TF card into the appropriate slot on the card reader until it is fully and securely seated. No drivers are required.
3. Before disconnecting the card reader or removing the card, safely eject it from your computer to prevent data loss.

### Safety and warning instructions

Read the operating instructions carefully and especially observe the safety information. If you do not follow the safety instructions and information on proper handling in this manual, we assume no liability for any resulting personal injury or damage to property. Such cases will invalidate the warranty/guarantee.

- Keep the device away from water, humidity, fire or hot environments.
- Keep your device and all its parts and accessories out of the reach of small children.
- Do not leave the packaging material lying around carelessly. This may become dangerous playing material for children.
- Avoid dropping, throwing or crushing the device.
- Do not open, change or damage the device.
- Disconnect the product from the mains before cleaning.
- Clean the product with a dry, fibre-free cloth.

**Disposal of waste electrical equipment:** Dispose of the product at a recycling point. Do not dispose of together with household waste. Incorrect storage/disposal can harm the environment and/or cause injury.

**CE / UKCA marking:** Conceptronic declares that this product complies with the directives listed in the section 'Declaration of Conformity'.
