Conceptronic CLLSPK21 2.1 Multimedia Speaker System

Product Description

Conceptronic brings you a new perception of sound! The powerful CSPK21 2.1 multimedia speaker system! The system has a 30Watt active subwoofer with a very deep bass. The 2x 10Watt, 2-way satellite speaker design not only looks great, but the combination also provides you with a very realistic and natural sound. Thanks to the sleek and flexible design you can have it standing on your desk or hang it on the wall. The built-in volume control and line input in the satellite speaker makes it very easy to control them on your desk and listen to music directly from your MP3 player, without having the PC turned on! So Lounge'n'LISTEN to music or enjoy the sound effects while playing games!

Highlights

- Directly plug in your MP3 player to listen to your songs
- Sleek & flexible design for wall mounting & desktop use

Precautions

- Keep the speaker system away from water or any other liquids to avoid the risk of electrical shock or damage to the components.
- Do not use abrasive cleaners or solvents to clean the speaker system, as they can damage the surface and the internal components.
- Ensure that the speaker system is properly grounded to avoid the risk of electrical shock.
- Avoid placing the speaker system on unstable surfaces or near the edge of tables or shelves to prevent accidental falls.
- Do not expose the speaker system to extreme temperatures, as it can cause damage to the internal components.
- Avoid placing the speaker system near heat sources, such as radiators or heaters, as it can affect the performance and durability of the system.

- Do not use the speaker system beyond its recommended power output to avoid damage to the speakers and other components.
- Ensure that the volume is set to a safe level to avoid hearing damage.
- When not in use, turn off the speaker system and unplug it from the power source to save energy and prevent any potential risks.
- Read the user manual carefully before using the speaker system and follow all the instructions and safety precautions mentioned in it.
