CKB-3058-CS Keyboard For Home and Professional Use

KEYBOARD FOR HOME AND PROFESSIONAL USE CKB-3058-CS

Before putting this product into operation, please read carefully all the instructions, even if you are already familiar with using similar products. Use the product only as described in this manual. Keep this manual in case you need it for future reference

The electronic version of this user manual can be downloaded on the website www.connectit-europe.com

We recommend keeping the original packaging of the product, invoice and warranty certificate at least for the time the warranty is valid. When shipping the product, we recommend using the original packaging that the product was delivered in that will provide the best protection for it from being damaged during transport.

Specification

Properties:

- Height-adjustable
- Drainage holes to prevent damage by spilling
- Standard keyboard layout
- Easy Plug & Play installation

Technical Specifications:

- Cable length: 150 cm
- Interface: USB 1.1 and higher

Compatibility:

- Operating system: Microsoft Windows XP/Vista/7/8/10 and Mac OS

This product is compatible with Mac OS although some features unsupported by Mac OS may not work properly.

Installation

Plug the USB cable into an available USB port on your computer and wait for the drivers to install

Troubleshooting

- We recommend connecting this device straight to a USB port on your computer.
- If this device is plugged in to a USB hub, make sure that the USB hub and the USB port to which it is connected can provide this device and other devices connected to the same USB hub with enough power.
- Alternatively, we recommend using an external power source with the USB hub (if the USB hub supports such functionality).

INSTRUCTIONS AND INFORMATION REGARDING THE DISPOSAL OF USED PACKAGING

Dispose of packaging material at a public waste disposal site

DISPOSAL OF USED ELECTRICAL AND ELECTRONIC APPLIANCES

The meaning of the symbol on the product, its accessory or packaging indicates that this product shall not be treated as – household waste. Please, dispose of this product at your applicable collection point for the recycling of electrical & electronic equipment waste. Alternatively in some states of the European Union or other European states you may return your products to your local retailer when buying an equivalent new product. The correct disposal of this product will help save valuable natural resources and help in preventing the potential negative impact on the environment and human health, which could be caused as a result of improper liquidation of waste. Please ask your local authorities or the nearest waste collection center for further details. The improper disposal of this type of waste may fall subject to national regulations for fines

For business entities in the European Union

If you wish to dispose of an electrical or electronic device, request the necessary information from your seller or supplier.

Disposal in other countries outside the European Union

If you wish to dispose of this product, request the necessary information about the correct disposal method from local government departments or from your seller.

This product meets all the basic EU regulation requirements that relate to it
EU declaration of conformity is available on www.connectit-europe.com
