CONRAD 2637995 Multi-Function Table Lamp

Product Information

Product Name: Multifunctional Table Lamp

Product Number: 2637995

Package Contents

- Product
- USB Cable
- User Manual

Latest Product Information

Download the latest product information from www.conrad.com/downloads or scan the QR code provided. Follow the instructions on the website.

This product is manufactured according to Protection Class III.

Safety Instructions

Fire Hazard! Do not connect the lamp to a power source with the light turned on, brightness set to 100%, and a connected device charging its battery simultaneously. Failure to follow this instruction may cause the product to overheat and reduce the integrated battery's lifespan.

Cleaning and Maintenance

1. Disconnect the product from the power source.
2. Use a dry, lint-free cloth to clean the product.

Disposal

Dispose of the product in accordance with local regulations.

Technical Specifications

No technical specifications are provided in the given text extract.

Product Usage Instructions

1. Unpack the product and ensure that all package contents are present.
2. Refer to the user manual for detailed instructions on using the multifunctional table lamp.
3. Prior to connecting the lamp to a power source, ensure that the light is turned off and the brightness is set to a level lower than 100%.
4. If charging a device's battery while using the lamp, make sure the lamp is not turned on and the brightness is reduced to avoid overheating.
5. For cleaning the lamp, disconnect it from the power source and use a dry, lint-free cloth to wipe its surface.
6. Dispose of the product responsibly in accordance with local regulations.
