FAQ

Q: What should I do if I don't have the original packaging for recycling?

A: You can contact us for a label to use with your own box for shipping.

Q: Are there any specific requirements for recycling the devices?

A: Yes, please ensure that the lithium-ion battery warning label is used when shipping the devices for recycling.

Recycling Instructions

To Recycle Loggers

Follow these simple steps.

1. Email us for boxes and pre-paid labels.
2. Fill the box with GO Logger devices and use the Logger Return Form.
3. Attach the provided FedEx label to the outside of the box and ship via FedEx.

Used Loggers

A GO GreenSense Return Form. It includes fields for Company name, Contact name, Customer phone, Email, Shipping address, City, State, Zip code, Date shipment, and Date return. There is also a section for the number of units submitted for recycling. The form is titled "GO GreenSense Return Form" and includes the COPELAND logo.
