Other Model

To Recycle Trackers

Follow these simple steps:

1. **Email us** for boxes and pre-paid labels.
 2. **Fill** box with GO Tracker devices and use Tracker Return Form. Note: Lithiumion battery warning label must be used. Email for label if using your own box.
 3. **Attach** provided FedEx label to outside of box and ship via FedEx.
- Pre-paid FedEx label

Important Requirements

Do not ship more than 80 devices per box – weight must not exceed 30lbs. Do not ship damaged GO Trackers. Please dispose of the damaged tracker in accordance with applicable laws and regulations. Company is solely responsible for ensuring proper shipping, packaging and handling of GO Trackers sent pursuant to the GO GreenSense Program.

For information about the GO GreenSense™ program, visit <https://www.copeland.com/en-us/products/controlsmonitoring-systems/cargo-tracking-monitoring/recycling>.

This form must be included in each shipment

1. Place the completed form inside the provided Copeland-branded FedEx return mailing box along with the Trackers.
2. Attach the provided FedEx return label to the outside of the box.
3. Seal and ship.

For full details regarding GO products which contain lithium-ion or lithium metal, please review and follow the applicable Logger and Tracker bulletins. For returns outside the US, follow local policies and instructions.

By filling out this Return Form and returning a Tracker, Program. Company agrees to follow the Copeland Return Policy and all other applicable terms and conditions.
