## Import Information

CORSAIR MEMORY, Inc. declares that this equipment is in compliance with Directive 2014/53/EU and Directive 2011/65/EU. A copy of the original declaration of conformity can be obtained at [corsair.com/documentation](https://corsair.com/documentation).

**Frequency band:** 2.400 – 2.4835 GHz

**Transmit power EIRP:** <20 dBm

**Operating temperature:** 0°C ~ + 40°C

**The authorized representative in Europe:** CORSAIR MEMORY, BV Wormeries 8, 1311 XB, Almere, Netherlands

## PRODUCT SAFETY GUIDELINES

- Please use and store this product in a room temperature controlled environment.
- Please use this product with CORSAIR-approved accessories only.
- DO NOT use this product in a confined space, or cover or block any ventilation openings.
- DO NOT use near liquids or expose this product to liquids. If this does occur, power the product off immediately.
- DO NOT insert foreign objects into any openings on the product.
- DO NOT dispose of this product in household waste bins.
- DO NOT attempt to replace the battery, instead contact CORSAIR Customer Support for repair or replacement information.
- Charging this product should only be done with the included USB charging/data cable, using a USB port on your PC.
- Replacement of a battery with an incorrect type that can defeat a safeguard (for example, in the case of some lithium battery types).
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.
- Visit the CORSAIR website at [www.corsair.com](https://www.corsair.com) for download the Quick Start Guide.

— **CORSAIR MEMORY**, Inc. encourages customers to recycle used electronic hardware and rechargeable batteries in accordance with local laws and regulations.

## NOTE ON ENVIRONMENTAL PROTECTION

After the implementation of the European Directive 2012/19/EU in the national legal system, the following applies:

- Electrical and electronic devices may not be disposed of with domestic waste.
- Consumers are obliged by law to return electrical and electronic devices at the end of their service lives to the public collecting points set up for this purpose or point of sale. Details to this are defined by the national law of the respective country. This symbol on the product, the instruction manual or the package indicates that a product is subject to these regulations. By recycling, reusing the materials or other forms of utilising old devices, you are making an important contribution to protecting our environment.

**BATTERY REMOVAL INFORMATION:** Battery removal instructions for this product can be found in Quick Start Guide.

Applicant Name : CORSAIR MEMORY, Inc

Manufactured Year & Month): Please refer to S/N

Manufacturer & Origin: CORSAIR MEMORY, Inc. / Please refer to retail packages

Model No: Please refer to the product label

## FC NL SV HU EL SC TC FEDERAL COMMUNICATION COMMISSION INTERFERENCE STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and

2. This device must accept any interference received, including interference that may cause undesired operation.

**FCC Caution:** Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This product complies with the FCC portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

**RECOMMENDATION:** Connect the keyboard or mouse to the USB source that is less than 15W (PS1 level).

## IC STATEMENT

### RADIATION EXPOSURE STATEMENT

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

1. This device may not cause interference, and
2. This device must accept any interference, including interference that may cause undesired operation of the device.

This product complies with the Canada portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

This Class B digital apparatus meets all requirements of the Canadian Interference-Causing Equipment Regulations. CAN ICES-003(B)/NMB-003(B)

**Note 1:** "Exceeding 0.1 wt. %" and "exceeding 0.01 wt. %" indicate that the percentage content of the restricted substance exceeds the reference percentage value of presence condition.

**Note 2:** "O" indicates that the percentage content of the restricted substance does not exceed the percentage of reference value of presence.

**Note 3:** The "—" indicates that the restricted substance corresponds to the exemption.
