## Before You Start

Please read all instructions carefully and keep it for future reference.

### Warnings:

Attention: For home use only.

Attention: The Product is not suitable for the children under 3 years

### General Warnings:

The product must be installed and used under the supervision of an adult.

Read through each step carefully and follow the proper order.

Remove all packaging, separate and count all parts and hardware.

Please ensure that all parts are correctly installed, incorrect installation can lead to danger.

We recommend that, where possible, all items are assembled near the area in

which they will be placed in use, to avoid moving the product unnecessarily once assembled.

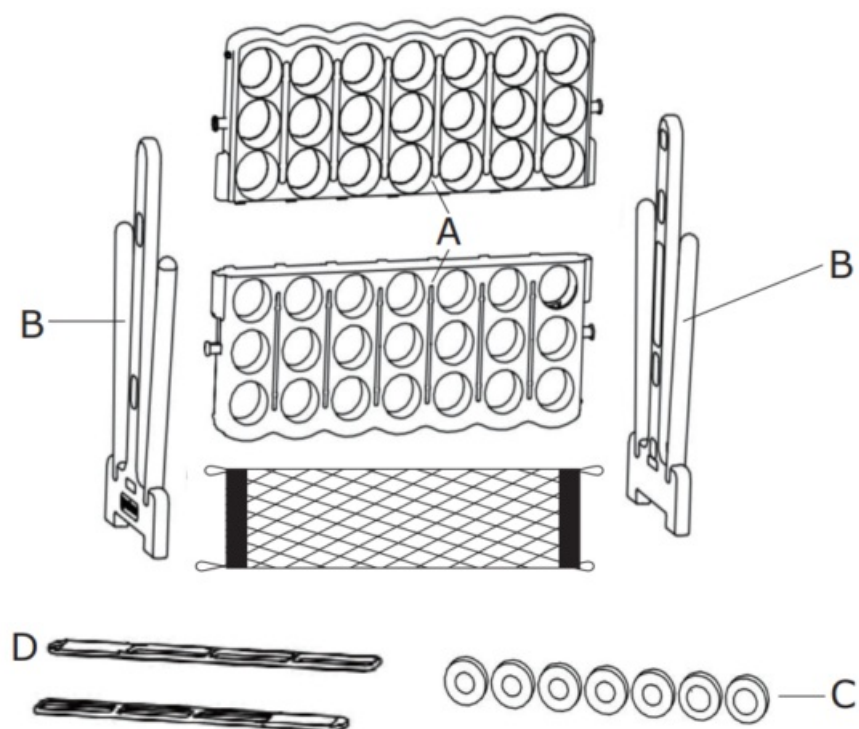

Ensure a secure surface during installation, and place the product always on a flat, steady, and stable surface.

Please check and maintain it regularly, and the most important part needs to be suspended, fixed, or anchored to the ground.

## Exploded Drawing

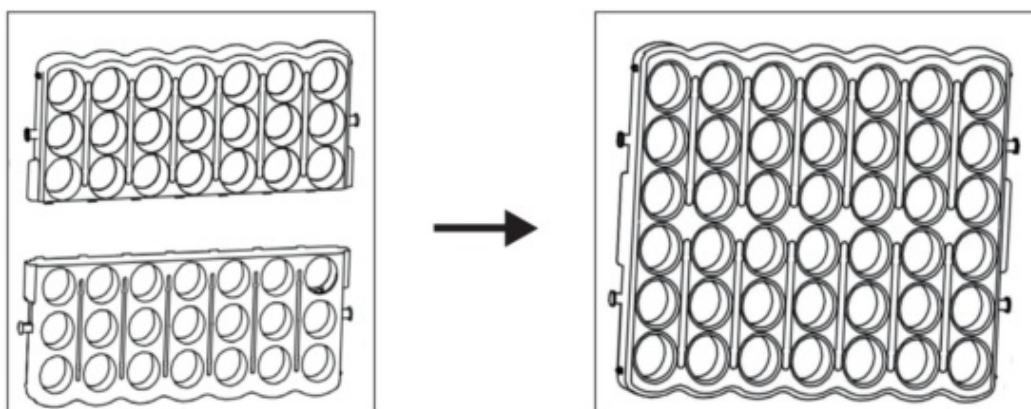

Set the net pocket on the sideboard respectively, then begin to install the main board.

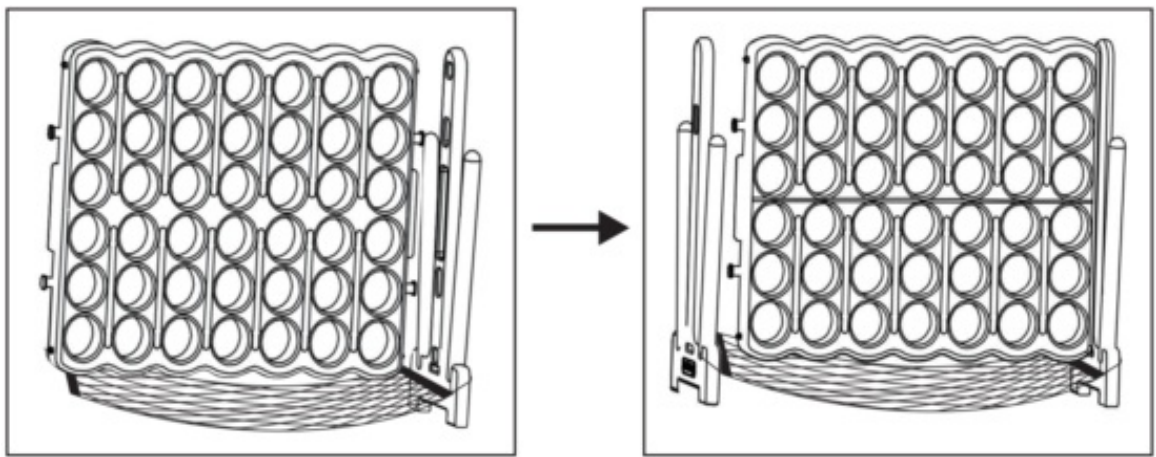

- A.Main boards x 2
- B.Side panel x 2
- C.Chess pieces x 42
- D.Bar x 2

### Assembly Steps

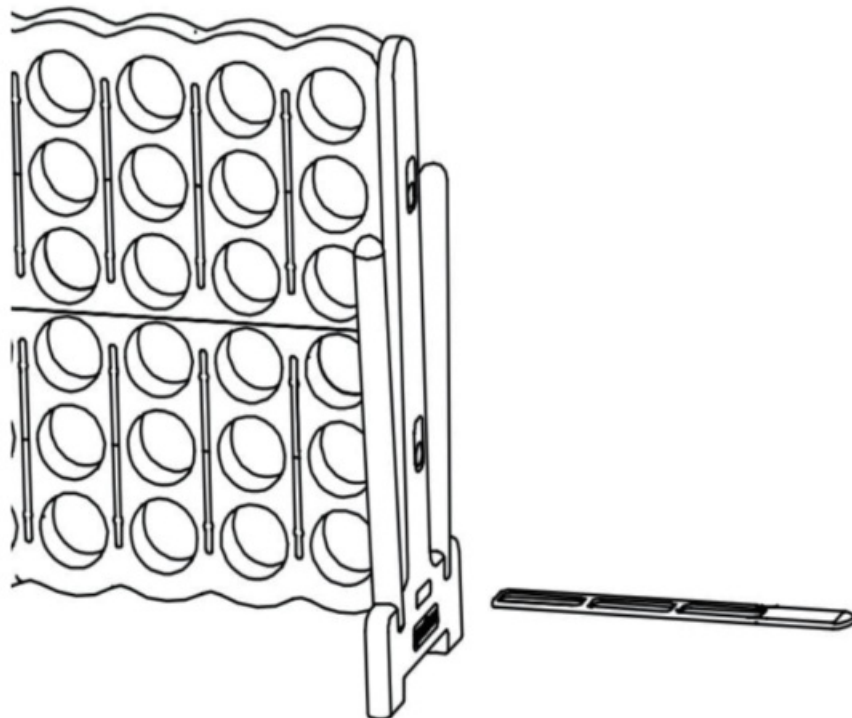

1.

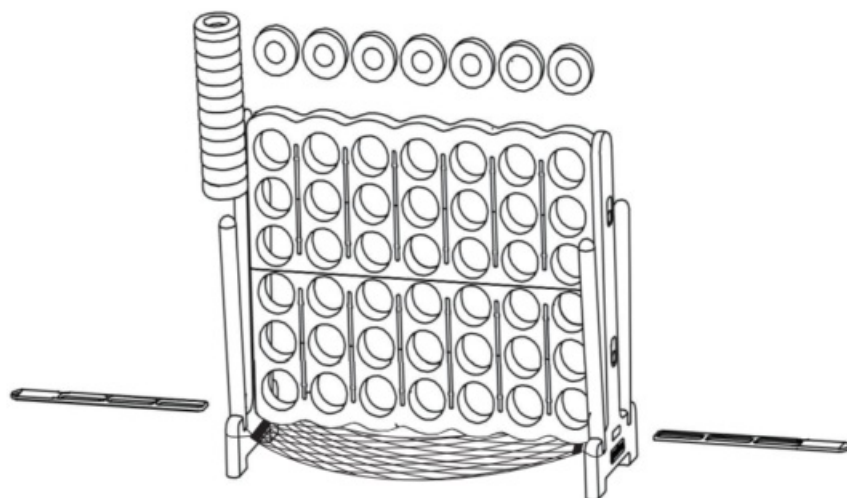

Conecte los dos paneles principales juntos.

2. Connect the mainboard and sideboard
3. Insert sliders into slots near the base of sides until it clicks in place.

4. Put the chess pieces on the side post, then start the game. Win the game when four of the same color are in a straight line. Pull out the bar to restart the game
