COSTWAY BA8161 Computer Desk

Description

- Update your work or study space with this industrial computer desk. A large desktop easily accommodates your computer monitor, keyboard, and desk accessories.
- With a 2-tier open shelf, you can neatly store books, baskets, decorations, etc. To meet your desired storage needs, the middle shelf can be removed to leave more room for a host computer.
- Made of a sturdy steel frame and durable engineered board, the computer desk will serve you for a long time.
- Even better, the simple 2-color style blends well with any living space, making it a functional and unique addition.

Features

- The spacious desktop offers ample space for working and studying 2-tier shelf provides sufficient storage space for office supplies.

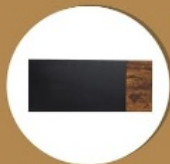

2-Tier Storage Shelf

Host Computer Stand

- The middle shelf can be removed to leave room for the host computer.
