## Product Usage Instructions

### Assembly Instructions:

1. Put c-hook into the slot of the slotted tube.
2. The ball top aims at the slot of the slotted tube (post), and press down until ball top is protruded with both side keyhole locked in.
3. Place the slotted tube (post) on underneath both sides of the key-hole to revolve until the base of lock lugs is locked in.

### Disassembly Instructions:

1. Rotate the slotted tube counterclockwise.
2. Pull out upward to disassemble.

### Additional Information:

This product is designed to be easy to assemble and disassemble for your convenience. For detailed instructions tailored to your region, refer to the specific language section in the manual provided.

### FAQ:

- Q: Where can I find more information about product maintenance?

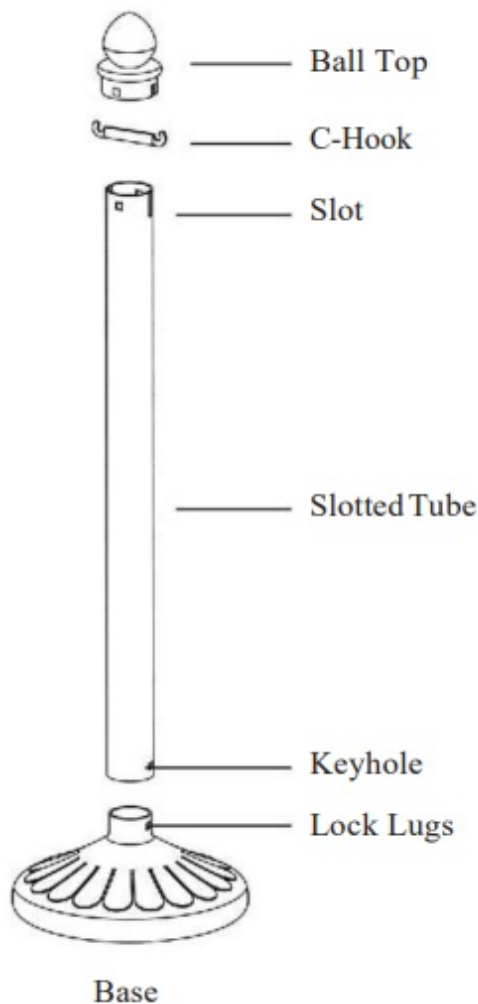

A: For detailed maintenance instructions and tips, please refer to the maintenance section in the user manual or visit our website for online resources.

- Q: How can I contact customer support for further assistance?

A: If you require additional assistance or have any questions, please reach out to our customer support team via the contact information provided on our website.

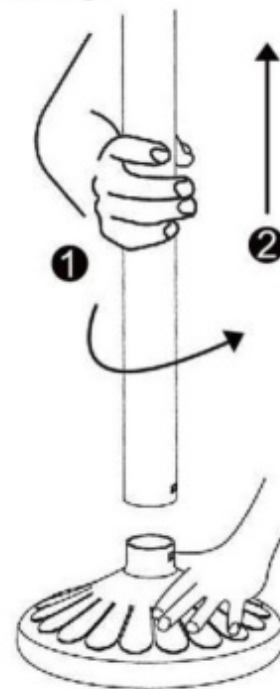

## POST Assembly Instructions

1. Put c-hook into the slot of the slotted tube.
