Cox 2-way Splitter Kit User Manual

Kit includes

- 2-way splitter and a coax cable

What you'll need

- cable box, modem
- eMTA
- coax cables

NOTE: your configuration of devices may look different.

1. Ensure all of the devices have been powered off.
2. Connect a coax cable from the wall outlet to the splitter.
3. Connect another coax cable from the splitter to the back of device 1.
4. Connect another coax cable from the splitter to the back of device 2.
5. Now power on your devices and enjoy!
