- **Phone:** 866-989-3800
- **CEUs:** ACI & IDEA CEUs available
- **Features:** Wireless E-Loops, Cellular or WiFi Control integration

Product Usage Instructions

Event Details:

The Access Control Training Event at CPSG San Antonio Branch is designed to provide technical training on access control products. The event aims to equip attendees with knowledge on easy installation procedures and reliable access solutions for customers.

Wireless E-Loops:

The product offers the capability to add Cellular or WiFi Control to any gate through the use of Wireless E-Loops. This feature enhances the flexibility and connectivity of the access control system.

RSVP:

To attend the event, RSVP by contacting CPSG San Antonio via phone or email. Ensure to confirm your attendance to secure a spot for the training session.

Stay Connected:

For ongoing support, product information, and career opportunities, visit MyCPSG.com to stay connected with the latest updates from Controlled Products.

FAQ

- **Q: How can I register for the event?**
 - **A:** To register for the Access Control Training Event, you can RSVP by contacting CPSG San Antonio either by phone at 866-989-3800 or via email at SanAntonio@controlledproducts.com.
- **Q: What are the CEUs offered for attendees?**
 - **A:** Attendees have the opportunity to earn ACI & IDEA CEUs by participating in the training sessions provided by Matt Reasor from AES.
