## CONTROLS

### (A) Power On / Off

i) Button	ii) Action
	
	

### (B) Playback

i) Button	ii) Action
   <b>x1</b>	
<b>+</b>  <b>x1</b>	
<b>+</b>  <b>2s</b>	
<b>-</b>  <b>x1</b>	
<b>-</b>  <b>2s</b>	

**Note:**

**Volume Control on PS5™ / PS4™**

Simultaneously press the Volume – and Mic Mute / Unmute buttons once to switch over to PS5 / PS4 volume control mode. This allows the headset to control volume adjustments when connected to the gaming console. This action is meant only for volume control on the PS5 / PS4 and does not support playback functions such as play, pause, or skip track.

**(C) Calls**
