CROSSNET101 Four Square Volleyball Net and Game Set

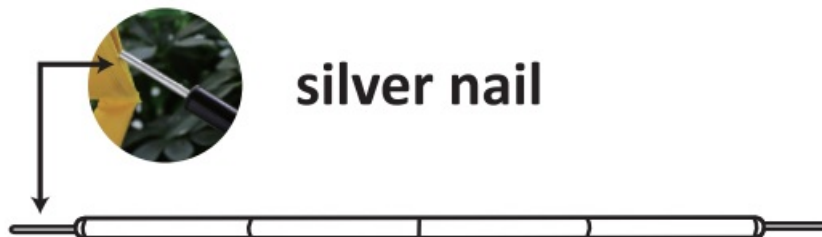

Product Accessories

1. Multi-function net x1;
2. Short frame rod x16;
3. Retainer x8;
4. High strength guide rope x4;
5. The portable bag x1;
6. Borderline x6;
7. Volleyball x1;
8. Pump x1;

Product installation steps

1. Put 6 boundary lines on the ground, and make them form a field-shaped game area.

2. Take out all the accessories and connect 4 short joints to a height of 2m, make sure that silver nails at both sizes. As shown in the image below:

3. Put one of the connected poles through the net piece, as shown in the image below:

4. Tie the guide rope to the pole above the net, as shown in the image below:

5. The other end of the guide rope is connected with the retained, as shown in the image below. Repeat the above steps for the other 3 long frame rods.

6. Insert the frame rod into the ground, the position should be at the end of the “+” shape. Do not forget to cross the metal ring when you insert the sliver nail into the ground.

7. Adjust the rope and then insert rainer into the ground after tightening the frame rod. Then insert the other 4 retainers into the ground at the 4 corners of the rectangle. As shown in the image below.

8. After the above step, you will finish the installation. You can make some adjustments when you are not satisfied with your first installation. A perfect installation is shown as the image below.
