CTA 1189 Extra Deep Metric Socket

Product Specifications

- Part Number: 1189
- Product Name: 18 Pc. Deep Metric Socket Set
- Includes the following sizes:
 - 6mm, 7mm, 8mm, 9mm, 10mm, 11mm, 12mm, 13mm, 14mm, 15mm, 16mm, 17mm, 18mm, 19mm, 20mm, 21mm
 - 3/8 to 1/4 Adapter
 - 1/2 to 3/8 Adapter

Product Usage Instructions

- **CAUTION:** To prevent injury, always wear gloves and eye protection that meet ANSI Z87.1 and OSHA standards.
- **CAUTION:** To prevent equipment damage, clean and lubricate threaded screws and holes before and after use.

Using the Socket Set

1. Select the appropriate socket size for the fastener you are working on.
2. Attach the socket to the ratchet handle securely.
3. Place the socket onto the fastener and turn in the desired direction to loosen or tighten.
4. Always work with a firm grip on the handle to avoid slippage.
5. After use, clean the sockets and store them in a dry place to prevent rusting.

Maintenance Tips

- Regularly inspect sockets for any signs of wear or damage.
- Keep sockets clean and free of debris to ensure smooth operation.
- If a socket becomes damaged or shows signs of wear, replace it immediately.

FAQ

- **Q:** Can I use this socket set for both loosening and tightening fasteners?
- **A:** Yes, this socket set can be used for both loosening and tightening fasteners. Simply select the appropriate size socket and attach it to a ratchet handle to perform the desired action.
- **Q:** How should I store the socket set when not in use?
- **A:** It is recommended to clean the sockets after use and store them in a dry place to prevent rusting. You can consider using a designated toolbox or case to keep the set organized and protected.

INSTRUCTIONS
