**cudy AX5400 WiFi 6E Bluetooth PCIe Card**

## Product Specifications

- Operating Frequency (Maximum transmitted power):
  - 2400MHz-2483.5MHz: 20dBm
  - 5150MHz-5250MHz: 23dBm
  - 5250 MHz-5350 MHz: 20dBm
  - 5470 MHz-5725 MHz: 30dBm
  - 5945MHz -6425 MHz: 23dBm

## Product Usage Instructions

### Safety Information

Please read and follow the safety information provided in the manual when operating the device. Use the product with care to avoid accidents or damage due to improper use. Operate at your own risk.

### RF Exposure Information

This device meets EU requirements (2014/53/EU Article 3.1a) on limiting exposure to electromagnetic fields for health protection. The device complies with RF specifications when used at a distance of 20 cm from your body.

### National Restrictions

Attention: This device may only be used indoors in Great Britain, all EU member states, EFTA countries, and Northern Ireland.

### Canadian Compliance Statement

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to conditions to prevent interference and accept any interference that may affect the device's operation.

## FAQ

### Q: Can this device be used outdoors?

A: No, this device should only be used indoors in specified regions as mentioned in the manual.

### Q: What should be the operating distance from the body?

A: The device should be operated at a minimum distance of 20 cm from the body to comply with RF exposure regulations.

## Operating Frequency (Maximum transmitted power) (

- 2400MHz-2483.5MHz: 20dBm
- 5150MHz-5250MHz: 23dBm
- 5250 MHz-5350 MHz: 20dBm
- 5470 MHz-5725 MHz: 30dBm
- 5945MHz -6425 MHz: 23dBm

## Safety Information

- Keep the device away from water, fire, humidity, or hot environments.
- Do not attempt to disassemble, repair, or modify the device.
- Do not use the device where wireless devices are not allowed.

Please read and follow the above safety information when operating the device. We cannot guarantee that no accidents or damage will occur due to improper use of the device. Please use this product with care and operate at your own risk.

### RF Exposure Information

This device meets the EU requirements (2014/53/EU Article 3.1a) on the limitation of exposure of the general public to electromagnetic fields by way of health protection. The device complies with RF specifications when the device is used at 20 cm from your body.

## National restrictions

**Attention:** This device may only be used indoors in Great Britain.

**Attention:** This device may only be used indoors in all EU member states, EFTA countries, and Northern Ireland.

### Canadian Compliance Statement

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

- This device may not cause interference.
- This device must accept any interference, including

interference that may cause the required operation of the device
