cybex CY 171 Priam Frame and Seat

Product Information

The PRIAM is a versatile and innovative stroller designed for parents and caregivers. It features various functions and accessories to provide convenience and comfort during use. The product is available in multiple languages, including English, German, Spanish, French, and Portuguese.

Product Registration

To ensure the best customer support and access to warranty benefits, it is recommended to register your PRIAM product. You can register the product by visiting the official website and following the registration process.

Product Usage Instruction

Brake

The PRIAM stroller is equipped with a reliable brake system that ensures the stroller stays stationary when needed. To engage the brake, press down firmly on the brake pedal. To release the brake, lift the pedal upwards.

Folding

The PRIAM stroller offers a folding mechanism for easy transportation and storage. To fold the stroller, follow these steps:

1. Ensure the brake is engaged.
2. Fold the sun canopy and bumper bar down.
3. Pull the folding handle located on the seat unit upwards.
4. The stroller will collapse into a compact form for storage or transportation.

Two Wheel Mode

The PRIAM stroller can be switched to two-wheel mode for easier maneuverability on rough terrains. To switch to two-wheel mode, follow these steps:

1. Lift the front of the stroller slightly off the ground.
2. Pull up on the lever located near the rear wheels.
3. The front wheels will lift off the ground, allowing you to push the stroller on the two rear wheels.

Sun Canopy
The PRIAM stroller comes with a sun canopy to provide shade and protection from the sun. To adjust the sun canopy, follow these steps:

1. Locate the sun canopy at the top of the stroller frame.
2. Use the provided buttons or levers to extend or retract the canopy according to your desired coverage.

Removing the Fabric
If you need to clean or replace the fabric of the PRIAM stroller, follow these steps:

1. Locate the fasteners and zippers that secure the fabric to the stroller frame.
2. Unfasten or unzip the fabric attachments.
3. Gently remove the fabric from the stroller frame.

Rain Cover
To protect your child from rain or wet weather conditions, use the provided rain cover. The rain cover is designed to fit securely over the stroller seat unit and provide full coverage.

Maximum Weights
The PRIAM stroller has weight limitations for different components. Please refer to the user manual for specific weight restrictions. The maximum weight capacity for the stroller is 55 lb (25 kg), while the maximum weight capacity for the carry cot is 11 lb (5 kg).

Contact Information
If you have any questions or need assistance with your PRIAM stroller, please contact our customer service representatives:
