e-Priam Stroller

IMPORTANT – READ CAREFULLY AND KEEP FOR FUTURE REFERENCE

WARNING

- Never leave the child unattended
- Ensure that all the locking devices are engaged before use
- To avoid injury ensure that the child is kept away when unfolding and folding this product

- Do not let the child play with this product
- Always use the restraint system
- Check that the pram body or seat unit or car seat attachment devices are correctly engaged before use
- This product is not suitable for running or skating
- Use a harness as soon as the child can sit unaided
- This seat unit is not suitable for children under 6 months
- This stroller is intended for outdoor use.
- If you choose to use it indoors, please make sure that your floor is adequately protected to prevent any damage.

SAFETY INSTRUCTIONS

- Do not attach any load (excluding the Cup Holder) to the handle and/or on the back of the backrest and/or on the sides of the stroller and/or any other part as this will affect the stability of the stroller.
- Never ascend or descend stairs or escalators with the child inside or when using other means of transportation.
- Take special care when going up or down a curb or when you maneuver on other uneven surfaces.
- This stroller does not replace a cot or a bed.
- This product is intended only for use with one child.
- Always activate the brake before you place or take your child out of the stroller.
- Regularly inspect the stroller for any signs of wear or damaged parts and refer to the Maintenance and Cleaning instructions.
- Only use approved accessories.
- Do not use if any part of the product is broken, torn or missing.
- Use only original replacement parts.
- It may be unsafe to use substitutes.
- This vehicle is intended for children up to 22 kg or 4 years – whichever comes first.
- Car seats used in conjunction with a chassis do not replace a cot or a bed.
- Should your child need to sleep, then it should be placed in a suitable crib, bed or approved sleeping area based on your child's requirements.

MAINTENANCE AND CLEANING

- The user is responsible for regular maintenance and care.
- It is particularly important to ensure that all moving parts and mechanisms are treated regularly with dry lubricant.
- After treatment wipe the product with a soft cloth.
- Clean the frame with a soft damp cloth and mild detergent, wiping away any excess water with a dry cloth.
- It is important that brakes, wheels and tires are not impaired during use.
- Inspect and clean them regularly and repair or replace if necessary.
- Should the stroller be exposed to salt water, please rinse the frame with clean damp cloth as soon as possible afterwards.
- Please always check the care label before washing.
- Do not tumble dry, do not iron or dry clean, do not expose to direct sunlight when drying.

- If the product is wet, leave it unfolded and allow all parts to dry completely to prevent mold.
- Never store in a damp environment.
- We recommend to use a rain cover in wet weather.
- Do not make any modifications to the product.
- If you have any complaints or problems, please contact your supplier.
- A service should be scheduled every 24 months.

MANUFACTURER'S WARRANTY AND DISPOSAL REGULATIONS

- CYBEX GmbH (Riedingerstr. 18, 95448 Bayreuth, Germany) gives you 2 years warranty on this product.
- The warranty is valid in the country, where this product was initially sold by a retailer to a customer.
- The contents of the warranty and all essential information required for the assertion of the warranty can be found on our homepage <https://qr.cybex-online.com/manufacturervarranty-wheelgoods>.
- If a warranty is shown in the article description, your legal rights against us for defects remain unaffected.
- Please observe the waste disposal regulations in your country.
