cybex EOS LUX The 2 in 1 Stroller

Product Information

- **Specifications**

- **Brand:** EOS
- **Model:** LUX
- **Weight:** 3kg
- **Maximum Weight Capacity:** 13kg-14kg

Product Usage Instructions

- **Product Registration**

- **To register your product, follow these steps:**
 - Visit the manufacturer's website.
 - Locate the product registration section.
 - Enter the required details such as the model number and purchase date.
 - Submit the form to complete the registration process.

- **Set-Up**

- **To set up your product, follow these instructions:**
 - Unbox the product and ensure all components are included.
 - Refer to the user manual for step-by-step assembly instructions.
 - Adjust settings as needed for personalized use.

- **Folding**

- **To fold the product for storage or transport:**
 - Ensure the product is on a flat surface.
 - Follow the folding instructions provided in the manual.
 - Secure any locking mechanisms to keep it folded.

- **Harness and Bumper Bar**

- **Use the harness and bumper bar for safety:**
 - Securely fasten the harness around your child.

- Attach the bumper bar for additional protection.
- Adjust straps and bars as needed for a comfortable fit.

- **Seat Direction and Sun Canopy**

- **Adjust seat direction and use the sun canopy for comfort:**
 - Choose the desired seat direction based on your preference.
 - Deploy the sun canopy to shield your child from sunlight.
 - Follow instructions to adjust the canopy angle as needed.

FAQs

- **How do I clean the product?**

- To clean the product, use a damp cloth with mild soap. Avoid harsh chemicals that may damage the material.

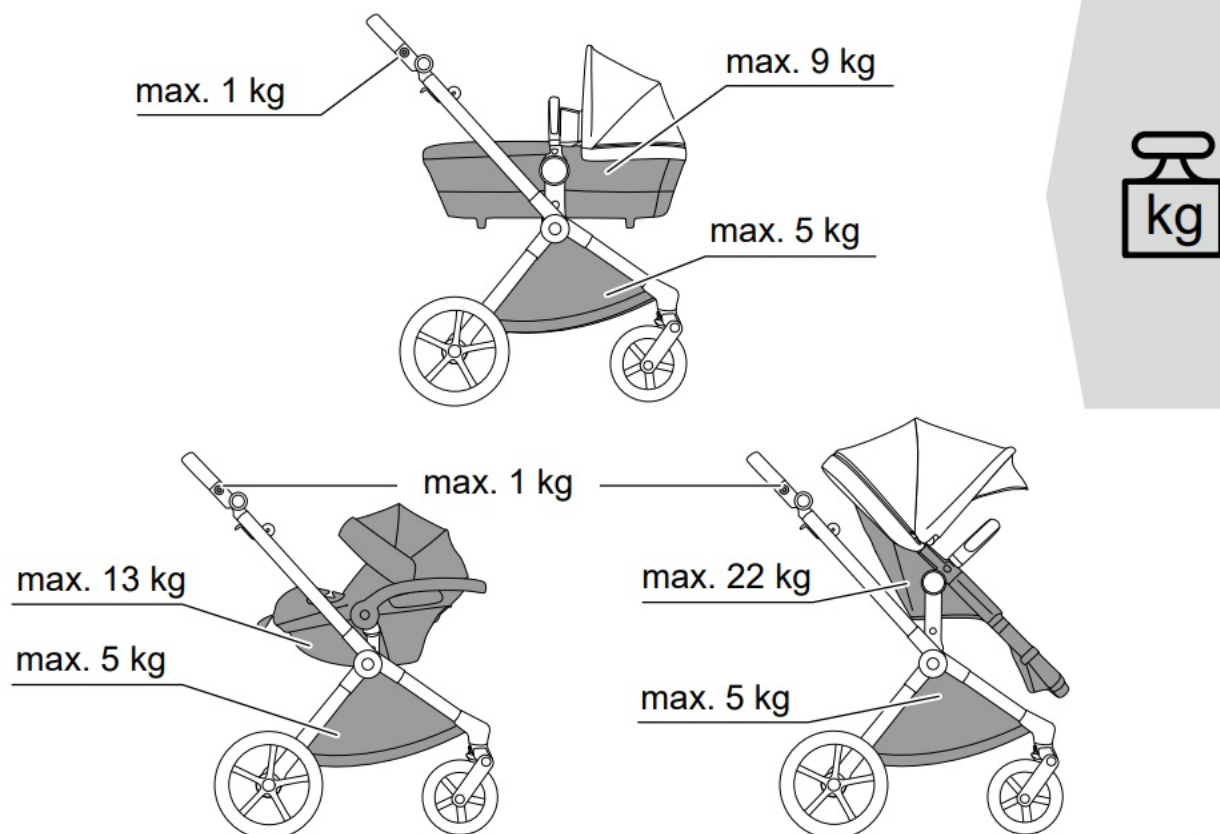

- **Can I use this product for newborns?**

- This product is suitable for infants of a certain age or weight. Refer to the user manual for specific guidelines on newborn use.

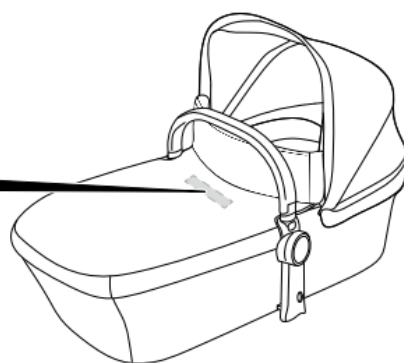

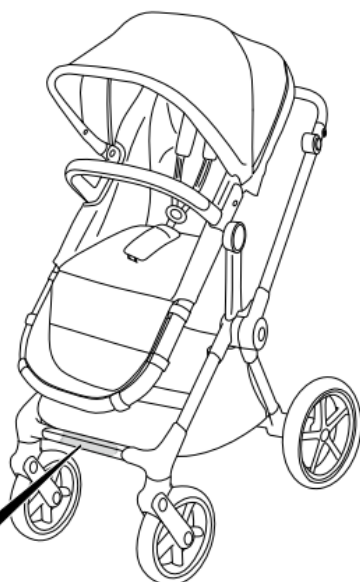

- **How do I adjust the height of the handlebar?**

- Most models allow you to adjust the handlebar height by following the instructions provided in the manual. Look for buttons or levers that enable height adjustments.
