**Cybex Sirona G Rotation Moon Black**

## Specifications

- **Product Name:** Base G
- **Manufacturer:** CYBEX GmbH
- **Model:** Base G R129-030112
- **Compatibility:** Cloud G i-Size, Sirona G i-Size
- **Address:** Riedingerstr. 18, 95448 Bayreuth, Germany

## Product Information

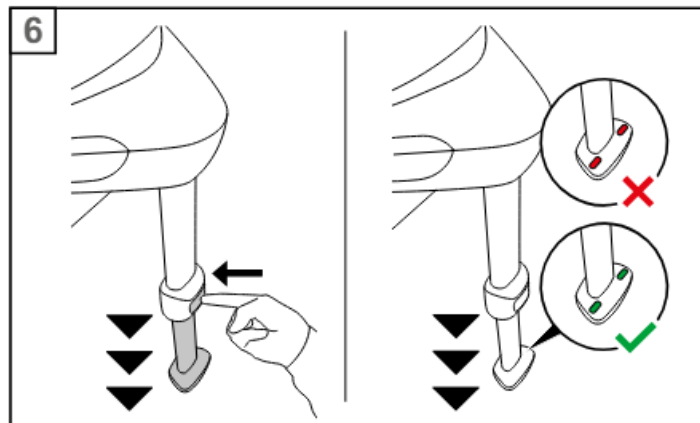

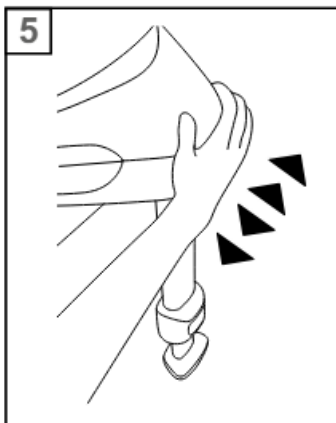

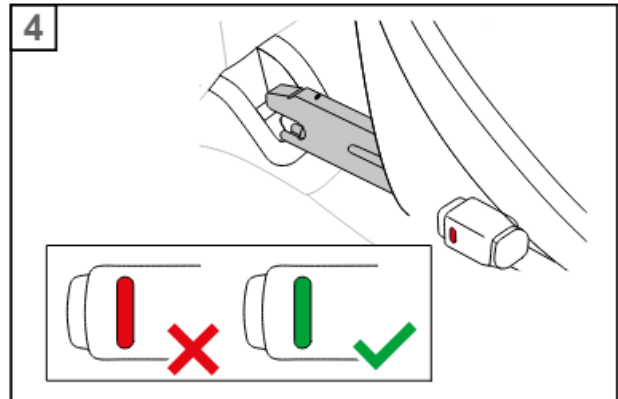

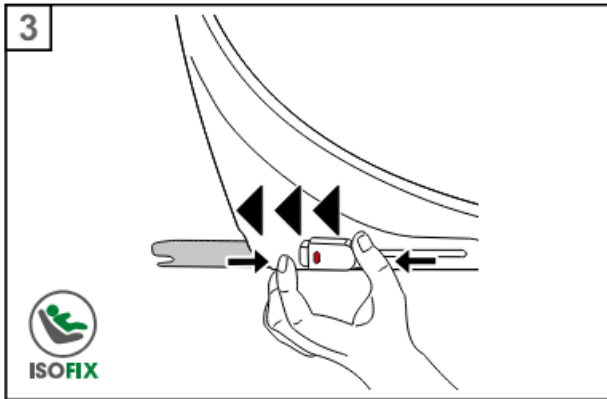

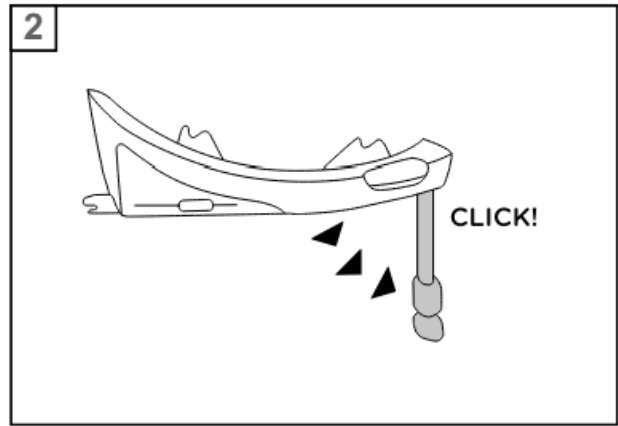

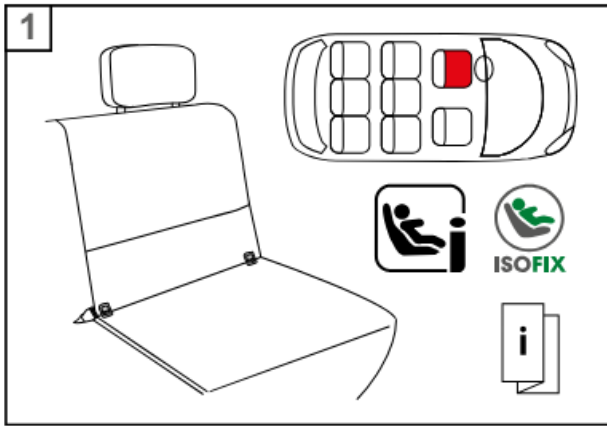

- **Base G is designed**
  - The Base G is designed to be used with specific car seats such as Cloud G i-Size and Sirona G i-Size by CYBEX.
  - It is essential to follow the user guides provided for both the car seat and the base for correct installation and usage.
- **Usage Instructions:**
  - Before installing the car seat in your vehicle, carefully read the user guide provided. Always keep the guide accessible for future reference. Do not modify or add to the car seat in any way.
  - Ensure that the car seat is used as described in the user guides for both the car seat and the base.
- **Installation Process:**
  - Ensure your vehicle has i-Size compatible seating positions.
  - Check for the Type Approval labels on your car seat to confirm compatibility with Base G.

- Follow the installation steps outlined in the user guides for the car seat and base.
- Securely attach the car seat to the base following the marked points on the seat.
- **Additional Information:**
  - The Base G is approved for use according to UN Regulation No. R129/03.
  - If your vehicle does not have i-Size seating positions, refer to the vehicle Type List for compatibility.
  - For more details on compatible car seats, visit [go.cybex-online.com/base-g-car-compatibility](https://go.cybex-online.com/base-g-car-compatibility).

## FAQs

- **Q: Can I use the Base G with any car seat?**
  - **A:** The Base G is only compatible with specific car seats like Cloud G i-Size and Sirona G i-Size by CYBEX. Make sure to check for the Type Approval labels on your car seat for compatibility.
- **Q: Is it necessary to refer to both the car seat and base user guides?**
  - **A:** Yes, it is essential to follow the instructions provided in both user guides for proper installation and usage of the Base G with your car seat.

## HOW TO USE

## IMPORTANT INFORMATION AND WARNINGS

- These brief instructions only serve as an overview. Carefully read this user guide before installing the car seat in your vehicle and always keep it on hand for future reference.
- Without the approval of the Type Approval Authority, the base and the car seat may not be modified or added to in any way.
- To keep your child properly protected, you must use the car seat as described in the User guides for both the car seat and the base.
- Do not use any load-bearing contact points other than those described in the User Guide and marked on the car seat.
- This is an i-Size Enhanced Child Restraint System. It is approved according to UN Regulation No. R129/03, for use in i-Size compatible vehicle seating positions as indicated by vehicle manufacturers in their vehicle user manuals.

- If your vehicle does not have an i-Size seating position, please check the vehicle Type List.
- You can obtain the most up-to-date version of the Type List from [go.cybex-online.com/base-g-car-compatibility](https://go.cybex-online.com/base-g-car-compatibility).

## DIFFERENT USES OF THE BASE

Your car seat is only compatible with the Base G, if you can see one of the following Type Approval labels on your car seat:

### Cloud G i-Size

### Sirona G i-Size
