CYNOVA C-DM-FM-005 5 In 1 Two Way Charging Hub

In The Box

In The Box

5 in 1 Two-way Charging Hub

Instruction Manual

Data Line

Charging time (Take PD 65W input as an example)

Two batteries: About an hour

Warning

Do not store or carry flammable liquids, gases, or explosive materials in the same compartment of your device/its parts /or accessories. Turn off your device, and do not remove or install battery chargers, AC adapters, or any other accessories for your device when you are in an area with potentially explosive atmospheres. To reduce the risk of fire, shock or damage to your device, do not expose your device to rain, snow or other types of moisture. Do not use your device near water or in a damp or excessively humid location (e.g., near a shower, bathtub, sink, or swimming pool, or in a damp basement).

Why not simultaneous charging?

When there are two batteries left to be charged, if they are not on the same side or not on a diagonal position, can not be recharged at the same time. Just move one battery to another compartment, please.

Charging status indicator

  Charging : The red lights flash alternately

  Full battery : The green lights are always on

Instruction

CYNOVA 5 in 1 Two-way Charging Hub

Suitable for DJI MINI 3 PRO

Product parameters

- **Product name:** CYNOVA 5 in 1 Two-way Charging Hub
- **Product number:** C-DM-FM-005
- **Product material:** ABS+PC
