## PW-CT-27 Rechargeable Eclipse Tuner

The D'Addario Rechargeable Eclipse chromatic clip-on tuner offers fast, accurate tuning for unparalleled performance on and off the stage. The tuner features 24 hours of tuning per charge, a full-color vertical display, auto power-off, and pitch calibration—all in a discreet, compact design. The multi-swivel action allows for the perfect viewing angle and can be mounted in front of or behind the headstock on right- and left-handed instruments. Features a built-in lithium ion battery. 1ft USB-C cable included.
