USB Adapter

Product features

- The clip-on microphone provides professional-quality recordings
- (1.5m) rigorous cable line for maximum versatility
- Professional microphone designed to optimize voice recording

Compatibility

- Designed for mobile phones and tablets
- Does not guarantee compatibility with other devices

Instruction

Functional specifications

- Lapel pin clip to connect the microphone.

- Slide foam windscreen to the microphone.

- Insert the USB-C connector to the phone or tablet being used for recording.

- Attach the lapel clip to the front of the clothes(around the neckline).
- Place the microphone about 15cm from the face, test the audio quality before a long-term use and adjust the distance, depending on the quality.
- Use the microphone attached to the person to record the audio.

Signal to Noise Ratio	74dB SPL
Plug	USB-C
Cable length	4.9 feet / 1.5m
Net weight	92g

Troubleshooting

Too much ambient noise

In a noisy environment, a certain amount of noise is unavoidable.

Make sure:

- You have installed the foam windshield.
- The microphone is directed away from the surrounding noise.

The microphone is not recording audio

- Ensure the USB-C connector is connected to the device.
- Ensure you have set up your device to record audio.
- Move the microphone closer to the source of the audio.

Warranty

This product is guaranteed for twelve months from the date of the original purchase. In the unlikely event of any defect arising due to faulty materials or workmanship, the unit will be either replaced or repaired free of charge (where possible) during this period. An alternative product will be offered in case the product is no longer available or repairable.

This warranty is subject to the following conditions:

- The warranty is only valid within the country where the product was purchased.
- The product must be correctly installed and operated in accordance with the instructions given in this user manual.
- The product must be used solely for domestic purposes.
- The warranty only covers the main units and does not cover the accessories.
- The warranty does not cover the damage caused by misuse, negligence, accident, or natural disaster.
- The warranty will be rendered invalid if the product is resold or has been damaged by inexperienced repairs. The manufacturers disclaim any liability for incidental or consequential damages.
- Please consult one of our customer service advisers before returning any product. We are not responsible for any unexpected product returns.
- Any faulty product must be kept and returned in the original packaging with all the accessories and the original copy of the purchase receipt.

The warranty is in addition to and does not diminish, your statutory or legal rights.
