dams ANS-TBC12 Anson Circular Table

Product Information:

The Anson Circular Table is a stylish and durable table that provides a modern touch to any living space. It is circular in shape and comes in four different packs: Top pack, Leg kit pack, Corner kit pack, and Rail kit pack. It is designed to be assembled easily with the help of the provided fittings and tools.

Packaging

The table comes in four different packs. The top pack consists of 1 x top panel, the leg kit pack consists of 1 x leg kit, the corner kit pack consists of 1 x corner kit, and the rail kit pack consists of 1 x rail kit. All the fittings required for assembly are also included in the packaging.

Tools Required:

- M6 Connector Bolt (Size 25mm) – 40 pcs
- Adjustable Foot (Size 25mm dia.) – 4 pcs

Product Usage Instructions:

1. **Step 1:** Unpack your Anson circular table, and make sure to recycle all packaging. Place the top face down so that the fixing holes are face-up.
2. **Step 2:** Assemble the legs as per image `a` using parts from the leg kit & corner kit. Link all the legs together attaching them with the rail kit as per image `b`.
3. **Step 3:** Once the frame is assembled, place it on the underside of the top and affix using the 16x M6 bolts as shown in image `b`.

Important Notes:

- Keep fittings away from children.
- If unsure, call for assistance.
- Always handle items with care.
- Don't struggle with a 2 man lift.
