Identify the valve by comparing the shape of the valve body with the red lines and mount the right adapter.

The adapters to the side are included in the box. The remaining adapters in the overview must be purchased separately. Adapter code numbers can be found below each adapter illustration.

SIMPLIFIED EU DECLARATION OF CONFORMITY

Hereby, Danfoss A/S declares that the radio equipment type Danfoss Ally™ is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address:
www.danfoss.com

The thermostat is not intended for children and must not be used as a toy. Do not leave packaging materials where children may be tempted to play with them, as this is extremely dangerous. Do not attempt to dismantle the thermostat as it contains no user-serviceable parts.
