DARKBEAM V5 UV Torch Flashlight

About this item

- Upgraded Powerful UV 395nm Light Flashlight The 395nm Light Flashlight provides 1300mw and 395 nm wavelength UV light with upgraded lamp beads LED. It is more compact than other ordinary UV flashlights, and also has USB-C direct charging function, which is good for environmentally friendly. The portable handheld pet dried urine detector also good for curing uv resin and will make your daily life easier!
- USB-C Rechargeable Battery Powered Powered by built-in battery, with 1 hour battery life. You can use the equipped USB-C charging cable and take only 1 hour to fully charge the uv light directly with any USB device like adapter, powerbank (supply voltage of no more than 5V 2A), reduce the trouble of frequent battery replacement.
- Built For Your Convenience Operation The power indicator light on the end switch will turn RED to prompt you to charge in time when the power is insufficient. Equipped with a lanyard for easy one-handed operation, weighs 2.02 OZ, measures of 3.5*0.85 IN, small enough to put into your keychain, pocket, backpack, toolbox. Save your time to recognize those stains on hotel beds that have been attempted to be hidden or when you go antique shopping (uranium glass, gemstones, amber, etc).
- Reliable Build Quality The ultraviolet blacklight is made of impact-resistant aluminum alloy, which can effectively dissipate heat and prolong the life of the lamp beads while maintaining high power input. Just enjoy yourselves at curing 3D printing parts, charging glow in the dark items or UV painting with your kids! Prepare one to discover the hornworms on the plants, mark the invading scorpions at night.
- Ready For Your Need Anytime & Anywhere This is the must-have multifunctional UV lamp in your life! It's suitable for a variety of surfaces in the living room, kitchen, bathroom, bedroom, garage and car. Points out the hidden nasties around you anytime, anywhere. 180-DAY-WARRANTY! Any question about the uv flashlight will be solved if you contact us(SELLER) on AMZ. DARKBEAM offers excellent customer support and will be

responsible for your dissatisfaction (include free replacement/refund).
