GETTING STARTED

Insert the Battery

Insert the battery with the contacts down and the latch toward the device's main connector. Then press the battery into the device until the battery latch engages automatically:

Charge the Battery

CAUTION Do not use the Falcon X3+ until batteries are charged for minimum 4 hours.

* The power supply for the Single Slot Dock is included in the Single Slot Dock box (P/N 94A150057)

SYNCHRONISE YOUR DEVICE WITH THE PC

Windows Mobile® Device Center can be downloaded from the Microsoft website www.microsoft.com. It is only compatible with Windows Vista and Windows 7; if you run Windows XP or earlier, you have to download Microsoft ActiveSync.

You can establish a connection to your Falcon X3+ through the following interfaces:

- USB either directly or through the Single Dock
- RS232 either directly or through the Single Dock
- Bluetooth®

To establish a partnership between the Falcon X3+ and a host PC, start Windows Mobile® Device Center and follow the steps below:

1. Connect the Falcon X3+ to the host PC. Windows Mobile® Device Center configures itself and then opens.
2. On the license agreement screen, click Accept.
3. On the Windows Mobile Device Center's Home screen, click Set up your device.
4. Select the information types that you want to synchronize, then click Next.
5. Enter a device name and click Set Up.

When you finish the setup wizard, Windows Mobile Device Center synchronizes the mobile computer automatically. Microsoft® Office Outlook® emails and other information will appear on your device after synchronization.

Communicate with Host

DATA CAPTURE

Laser Data Capture

Imager Data Capture

REFERENCE DOCUMENTATION

For further information regarding Falcon X3+ refer to the SDK Help on-line and to the Falcon X3+ User's Manual. For information regarding safety and regulations refer to the dedicated section of the Falcon X3+ User's Manual.

PATENTS

Patent. See www.patents.datalogic.com for patent list.

SUPPORT THROUGH THE WEBSITE

Datalogic provides several services as well as technical support through its website. Log on to www.datalogic.com and click on the SUPPORT link which gives you access to: Downloads by selecting your product model from the dropdown list in the Search by Product field for specific Data Sheets, Manuals, Software & Utilities, and Drawings; Repair Program for On-Line Return Material Authorizations (RMAs) plus Repair Center contact information; **Customer Service** containing details about Maintenance Agreements; **Technical Support** through email or phone.

WARRANTY TERMS AND CONDITIONS

The warranty period is 1 year for the device and 90 days for consumables (e.g. battery, power supply, cable, etc.) from the date of purchase at our company.
