Product Usage Instructions

1. To install the Access Drawers built-in, ensure the cutout dimensions match the installation dimensions provided.
2. For weather resistance, make sure the product is installed as per the manufacturer's guidelines.
3. To convert the LP tank drawer into a trash drawer or storage drawer, refer to the user and install guide available for download on dcsappliances.com.

FAQ

Q: Can the LP tank drawer be converted into a trash drawer?

A: Yes, the LP tank drawer can be converted into a two-bin trash drawer according to the user and install guide.

QUICK REFERENCE GUIDE > ADR2-24

Access Drawers Built-in

Stainless Steel

DCS Access Drawers offer generous storage for a range of items – from your LP tank to marinating meats. A range of accessories offer maximum flexibility, for example the LP tank drawer can be converted into a two-bin trash drawer or simply a large capacity storage drawer.
