## 2 Layer File Box Water Resistant File Organizer

How to change the password if you know the old one

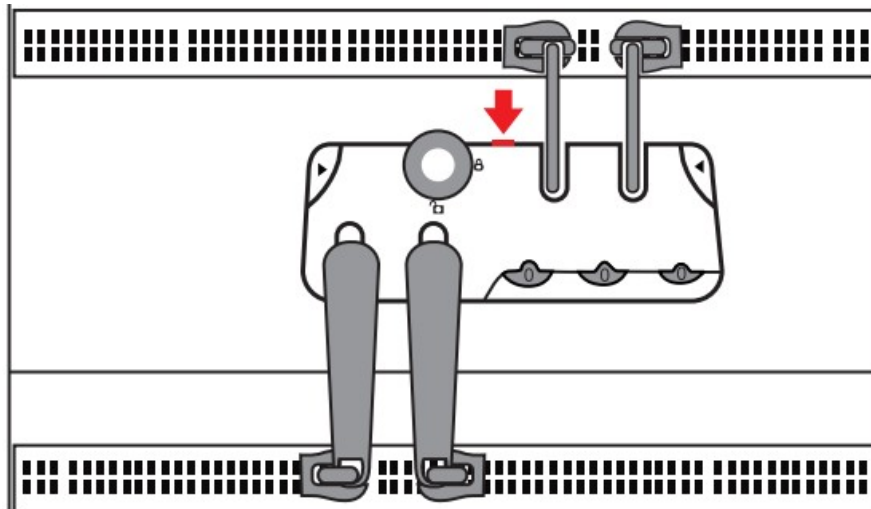

### Step 1:

Put in the right combination (the original number is 000)

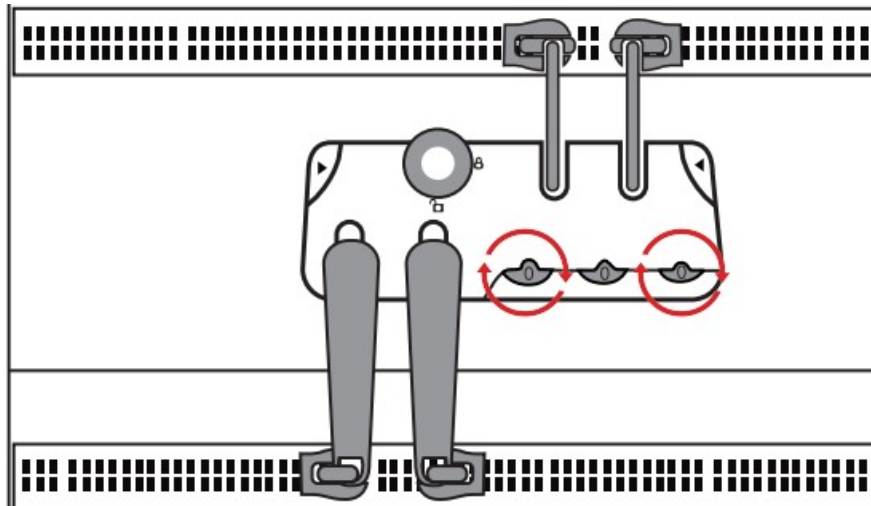

**Step 2:**

Press down the reset button with a tool until a “click” sound

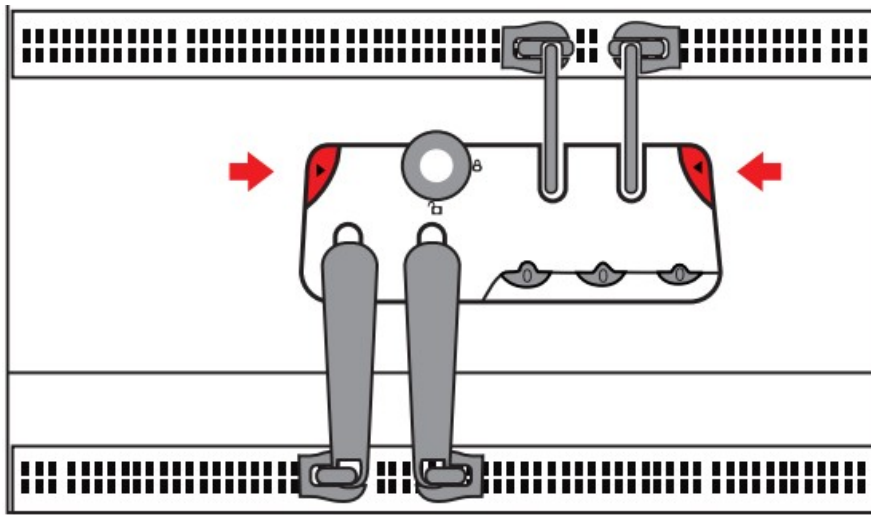

**Step 3:**

Set your new combination

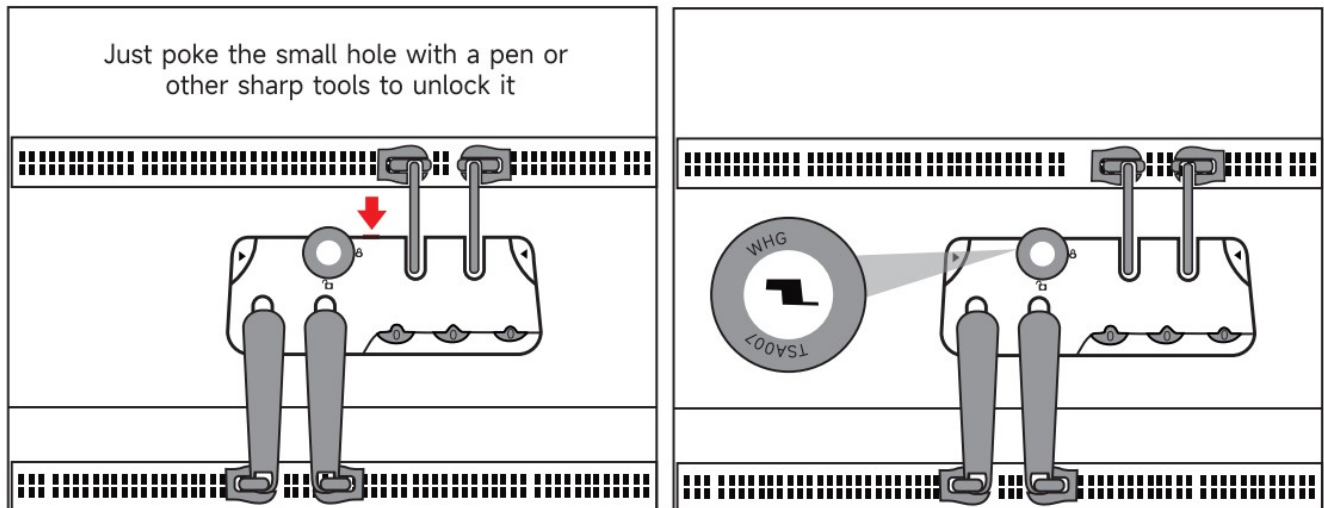

**Step 4:**

Hole the buttons on both sides, the zipper will be undone and the password will be set

### Tips:

1. No keys included.
2. The TSA lock only allows TSA screeners use key to check the bag without damaging the lock
