Warranty information

Description of limited liability warranty

1. Warranty is provided for abnormal or damaged parts of this product due to defects in the manufacturing process; the abnormal or damaged parts in the following cases will be repaired or replaced by DeepCool after inspection and judgment; any abnormality or damage to any part of the product will not be covered by the warranty if the unit is used outside of the following conditions:
 - The normal use of the product in accordance with the product manual, without improper or excessive use, or in any other unreasonable application (for example: using this product in product testing).
 - Damages that are not caused by acts of nature (for example: lightning, shock, power surge, fire, earthquake, flood, blizzard, hurricane, insects, animal attacks, etc.).
 - The product has not been disassembled, modified, or repaired by any unauthorized person. The components have not been disassembled or replaced.
 - The product's tamper-evident sticker has not been removed or damaged.
2. During the warranty period, DeepCool's greatest share of liability is limited to the value of this product in the current market (the current residual value of the product does not include freight, handling fees, and other costs). DeepCool shall not be liable for compensation for other losses caused by the use of this product.
3. During the warranty period, DeepCool is obligated to repair or replace defective products. However, under any circumstances, DeepCool shall not be liable for any compensation for any losses (including but not limited to data damage, business loss, loss of profit, incidental or indirect loss of using this product, improper use, and losses caused by the user's negligence whether it is foreseeable or DeepCool has notified in advance that such damage may occur, but the user still violates the warranty terms and contract) caused by the sale, purchase or use of this product.
4. The warranty clause is only applicable to the original buyer who purchases the product through a DeepCool authorized distributor or agent, and not applicable to the buyer who purchases it secondhand.
5. In order to protect your rights, please keep and provide proof of purchase (receipt or invoice). The proof must

clearly indicate the date of purchase to determine the warranty period.
