Bachelor's Button

Easy to Grow Instructions:

1. Fill the bag with moist potting soil. Pack the soil firmly to eliminate air pockets
2. Lay the bag on a flat surface and press down so the bag becomes flat rather than round. Punch out the perforated circles. Press 1 to 3 seeds into each opening and cover them lightly with soil.
3. Water thoroughly. When the plants become approximately 2–3" tall, the bag is ready to hang in a location with full sun. Remove faded flowers to encourage new blooms.
