delight 20462BK Hidden Built-in Connector USB + Type-C + Wireless Charger

Dear Customer!

4-in-1 multifunctional, hidden, yet practical power source that will keep your desk tidy and clear at all times. There is no need for un cables through the tabletop or use extension cords. It can be easily installed on any furniture or table. Equipped with one 230 V socket connector, one USB-A and one Type-C connector. Unfolding the cover that protects the socket, you will find a wireless charging stand, so you can charge (suitable) devices without connecting cables. Due to its large size, it is not necessary to place the phone on the charging pad with great precision. Do not insert an extension cord. Do not operate covered! For indoor use only!

User's Guide

1. Select a suitable location for the device, making sure that the device is not exposed to direct sunlight. Also take into account the installation depth of 85 mm and the drainage of the power cable.
2. Cut an 80 mm diameter hole in the furniture. Draw and then use a drill with a suitable cutting head or a jigsaw to cut.
3. Unscrew the retaining ring from the product and thread the cable through the hole and try to insert the product into the hole.
4. If the product fits properly (does not jam, does not fall through the hole), secure it from below with the ring, making sure to rotate the product into the desired direction.
5. Finally, plug in the power cord and try the product.

Technical Details

- Wireless charging function
- Beep at the beginning of charging
- USB-A and Type-C sockets
- Easy installation
- Compact

Specification

- **Operating voltage:** AC 230 V
- **Installation size:** Ø78 mm
- **Max. current:** 16 A
- **Installation depth:** 85 mm
- **USB:** DC 5 V, max. 2.4 A, max 12 W
- **Material:** Plastic
- **Wireless Charging:** DC 5V, max. 1 A, max. 5 W Color: Black
- **Max. load capacity:** 3680 W Protection: IPX0
- **Cable length:** 1.5 m
- **Installation size:** 078 mm
- **Installation depth:** 85 mm
- **Material:** Plastic
- **Color:** Black
- **Protection:** IPXO
- **Cable type:** HO5W-F 361.5 mm (3x 1.5 mm)
