DELTACO

DELTACO ARM-0310 Height-Adjustable Desk Stand

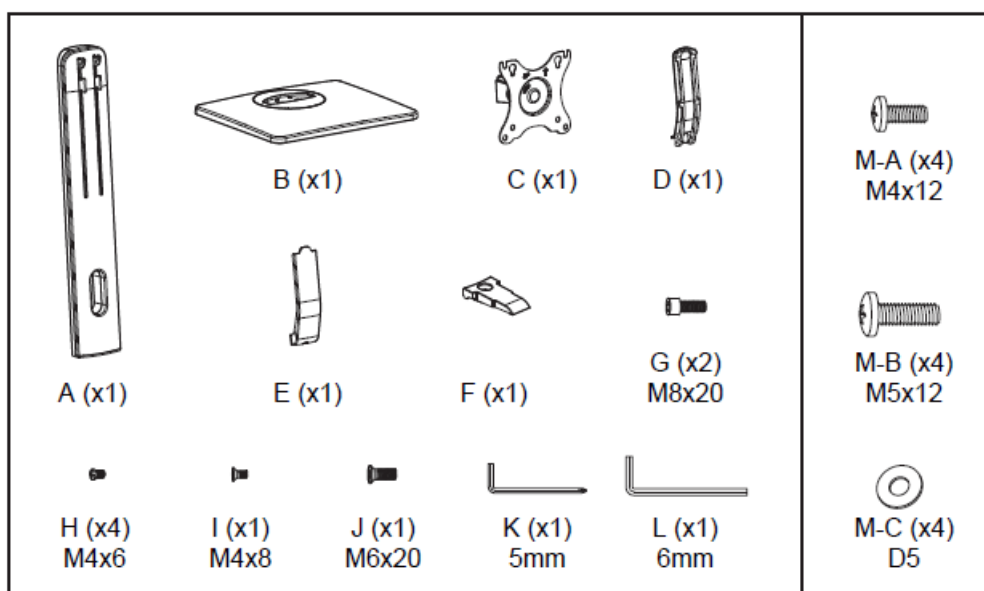

The Office ARM-0310 Desk Stand is a Nordic brand product designed to hold displays that range from 17 to 32 inches in size. The stand comes with several components, including an A, B, and C plate, a D mount, an E, F, G, and H screw set, an I and J screw, a K and L spacer, and an M-A, M-B, and M-C screw set. The product is intended for indoor use only and should be installed by a qualified person.

Product Usage

1. Read the entire instruction manual before starting installation and assembly. If you have any questions regarding any of the instructions or warnings, please contact your retailer for assistance.
2. Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
3. Attach the components as specified in the assembly instructions. Improper installation may result in serious injury.
4. Use the mounting screws provided and do not over tighten them.
5. Ensure that you have received all parts. If any parts are missing or faulty, contact Deltaco or the retailer where you purchased the product.
6. Check that it is secure and safe to use, at regular intervals (at least every three months).

Caution: Usage together with products heavier than the rated weight may result in instability which can cause possible injury. Safety gear and proper tools must be used. This product should only be installed by a qualified person. Do not exceed the marked max weight. Serious injury or property damage may occur! This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury. Keep small parts away from children.
