## Product Distribution

- A. 0 = Insert
- B. 1 = End
- C. 7 = Home
- D. LED (Power indicator)
- E. Button to open calculator app
- F. LED (Connection indicator)
- G. LED (Num Lock indicator)
- H. 9 = Page Up
- I. 3 = Page Down
- J. , = Delete
- K. USB receiver
- L. Micro USB cable
- M. On/off switch
- N. Non-slip pads

To use the num pad's keys "0", "1", "7", "9", "3" and "," alternative functions, you must first disable num lock, by pressing on num lock and checking that the LED indicator changes to off.

When num lock is enabled and the LED indicator is on, it will use numbers as expected, "0" is 0 for example.

### Use

To turn the device on or off use the switch (13) underneath.

Connect the USB receiver to a USB port on the computer. They will connect automatically.

### Charge

To charge the device connect the Micro USB cable to the device and to a USB power source such as a computer, or a USB power adapter.

### Safety instructions

1. Keep the product away from water and other liquids.

### Cleaning and maintenance

Clean the keyboard with a dry cloth. For difficult stains use a mild detergent.

## Support

More product information can be found at [www.deltaco.eu](http://www.deltaco.eu). Contact us by e-mail: [help@deltaco.eu](mailto:help@deltaco.eu).

Disposal of electric and electronic devices EC Directive 2012/19/EU This product is not to be treated as regular household waste but must be returned to a collection point for recycling electric and electronic devices. Further information is available from your municipality, your municipality's waste disposal services, or the retailer where you purchased your product.
