Use

Connect the USB receiver to a USB port on the computer. They will connect automatically.
The product will enter sleep mode after about 5 minutes.

Battery

This product requires 1x AAA battery (not included).

When the battery is low, replace the battery.

Insert the battery in the battery compartment underneath the product. And close the battery compartment.

When disposing the product, first remove the battery, and dispose of the battery separately according to local regulations.

Safety instructions

1. Keep the product away from water and other liquids.

Cleaning and maintenance

Clean the product with a dry cloth. For difficult stains use a mild detergent.
