DELTACO TB-800-US Wireless Keyboard Mouse Combo

Product Information

The MULTIMEDIA TB-800-US is a wireless keyboard and mouse combo that allows you to control your computer

with ease. The keyboard has 12 multimedia function keys that allow you to control media players, adjust volume, open email and browser windows, and more. The keyboard also has a Numlock function that saves power by turning off the LED after 5 seconds of use. The mouse has 5 buttons, including a DPI button that allows you to adjust the sensitivity of the cursor. The LED on the mouse indicates the battery level, charging status, and whether Capslock or Numlock is on.

Safety instructions

1. Keep the product away from water and other liquids.

LED status

- **Low battery:** LED is yellow.
- **Charging:** LED is red.
- **Capslock is on:** LED is blue.
- **Numlock is on:** LED is green.

Connect

Connect the USB receiver to a USB port on the computer. Use the power switch on the keyboard to turn it on. The keyboard will connect automatically.

MOUSE

1. Left mouse button
2. Right mouse button
3. Mouse wheel button
4. DPI button
5. Desktop button
6. On/off/LEDs off button (Underneath the mouse)

KEYBOARD

- **FN + F1** = Open media player
- **FN + F2** = Reduce volume
- **FN + F3** = Increase volume
- **FN + F4** = Turn sound on or off (mute)

- **FN + F5** = Previous song
- **FN + F6** = Next song
- **FN + F7** = Play / pause
- **FN + F8** = Stop
- **FN + F9** = Open browser
- **FN + F10** = Open email
- **FN + F11** = Open “this computer” window
- **FN + F12** = Open my favorites
- **FN +**  **= Open search window**

When Numlock is turned on, the LED changes to green for about 5 seconds and then the LED turns off to save power.

The power switch and Micro USB-B charge port.

Use

- Connect the USB receiver to a USB port on your computer. Turn on the mouse. They will connect automatically. No drivers are needed.
- Clicking on the desktop button will show your computer's desktop.
- It is the same as the windows key + D short cut on a keyboard.
- You can turn the mouse on or off and turn off the LEDs with the switch underneath the mouse.
- Change the DPI with the DPI button.

Disposal

Disposal of electric and electronic devices EC Directive 2012/19/EU This product is not to be treated as regular household waste but must be returned to a collection point for recycling electric and electronic devices. Further information is available from your municipality, your municipality's waste disposal services, or the retailer where you purchased your product.
