## **Safety Precautions**

- Avoid wearing the mask for extended periods to prevent discomfort.
- Do not wear a mask while driving or engaging in activities that require unobstructed vision.
- Keep the mask away from water and moisture to prevent damage to the LED components.
- Charge the mask in a dry and well-ventilated area.
- Store the mask in a cool, dry place when not in use.

## **Maintenance**

- Clean the mask's surface with a soft, damp cloth to remove dust and dirt.
- Charge the mask regularly to ensure it's ready for your next event.
- Store the mask in its original packaging or a protective case to prevent damage.

## **Troubleshooting**

- If the LED lights do not turn on, ensure that the mask is charged.
- Check the remote control's battery and replace it if necessary.
- If you encounter any technical issues, consult the user manual for troubleshooting guidance.
- Contact Depointer customer support for further assistance if problems persist.

## **FAQs**

Q: How is the Depointer Mask powered?

A: The mask is typically powered by a rechargeable battery, which is included with the product. It can be charged using a standard USB cable.
