DESIGN ML-098 Computer Desk

Product Usage Instructions

Assembly

1. Identify all components based on the lined drawing provided in the manual.
2. Begin by connecting components A and B as per the diagram.
3. Continue assembling components C, D, E, F, G, H1, H2, J in the specified order.

Mounting

Once assembly is complete, mount the product on a suitable surface following the guidelines provided in the manual.

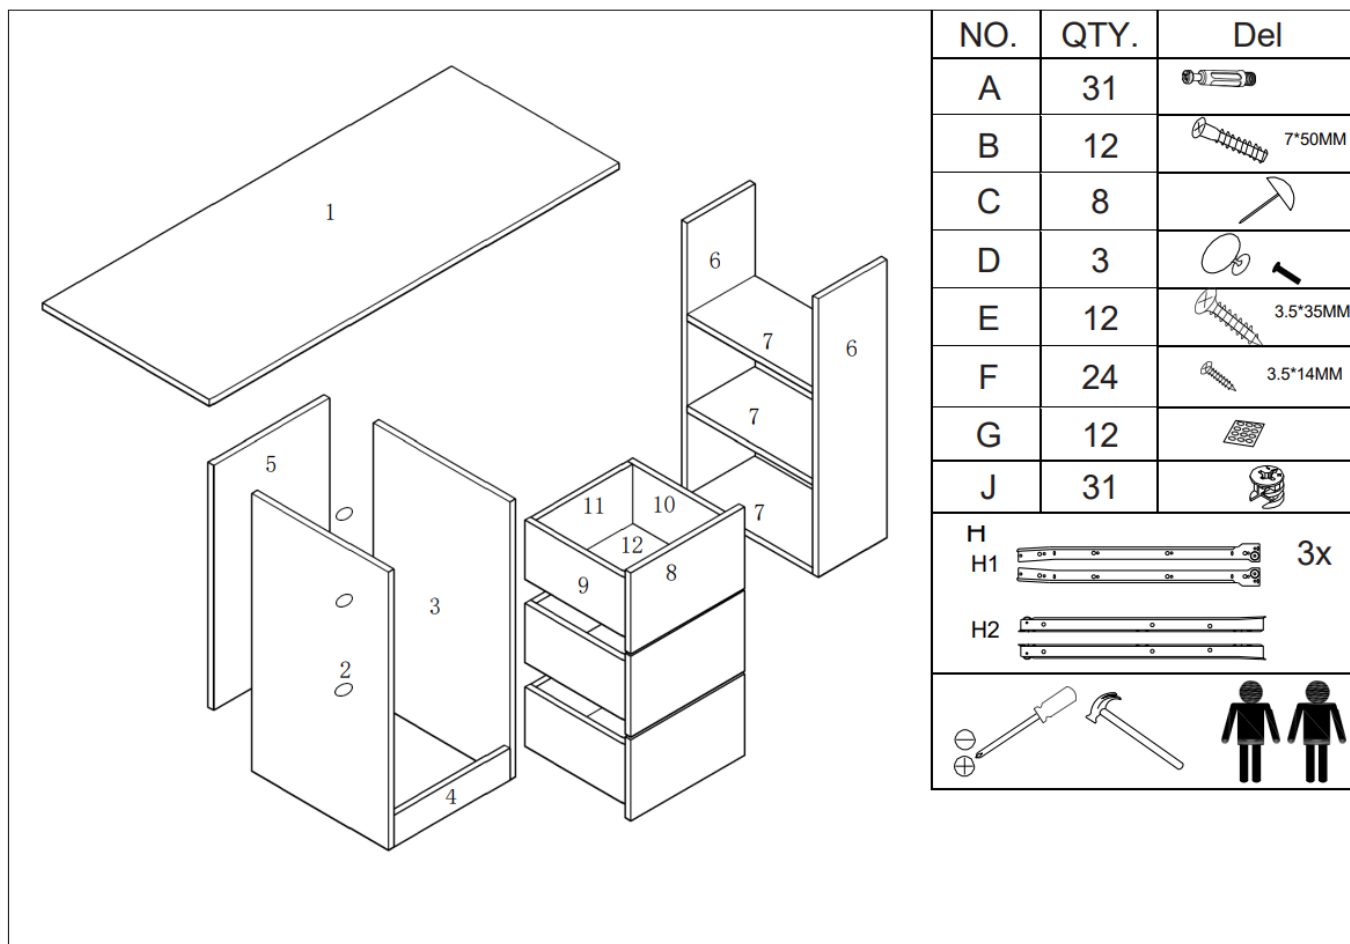

Usage

After mounting, ensure all connections are secure before using the product. Follow any additional usage instructions provided in the manual for optimal performance.

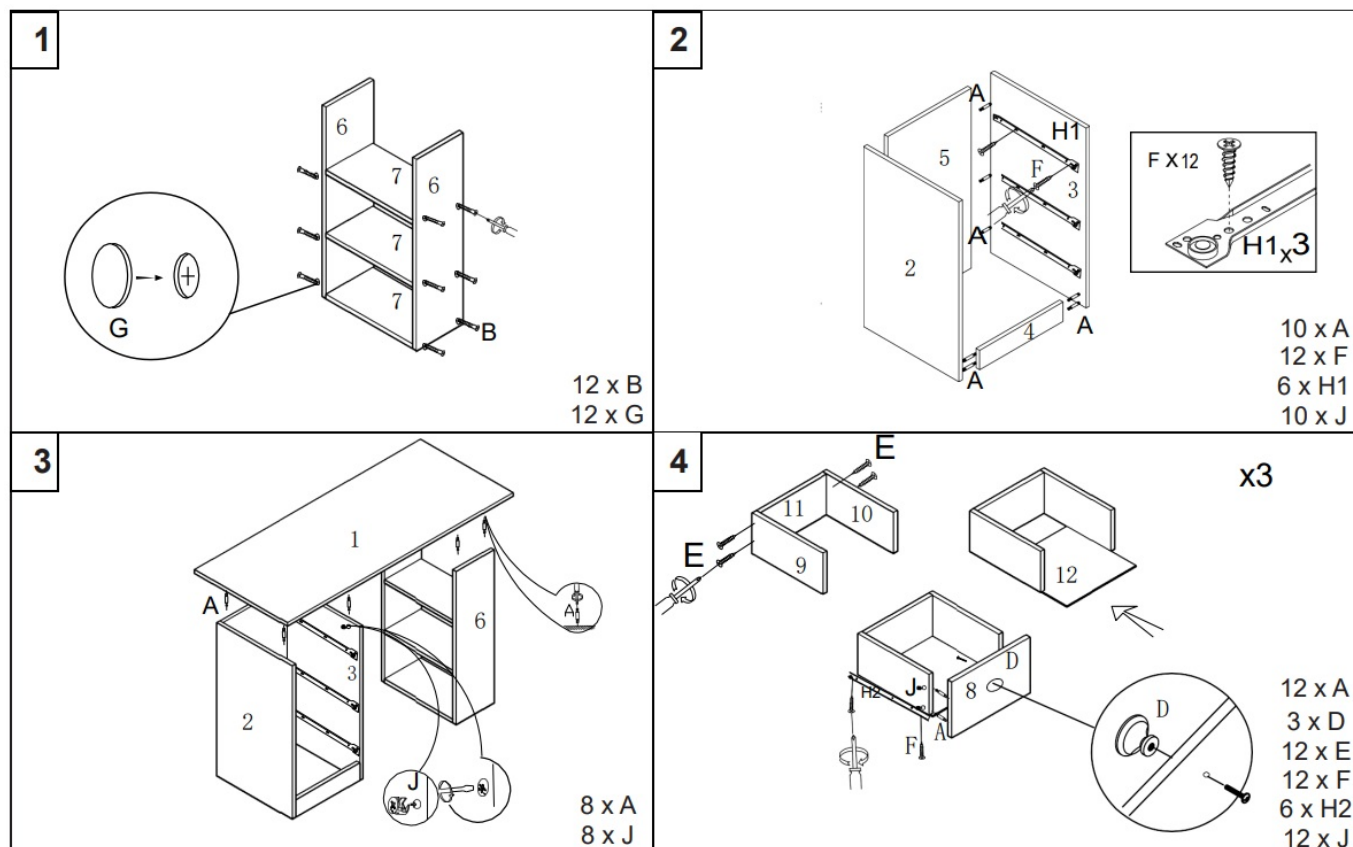

FAQs

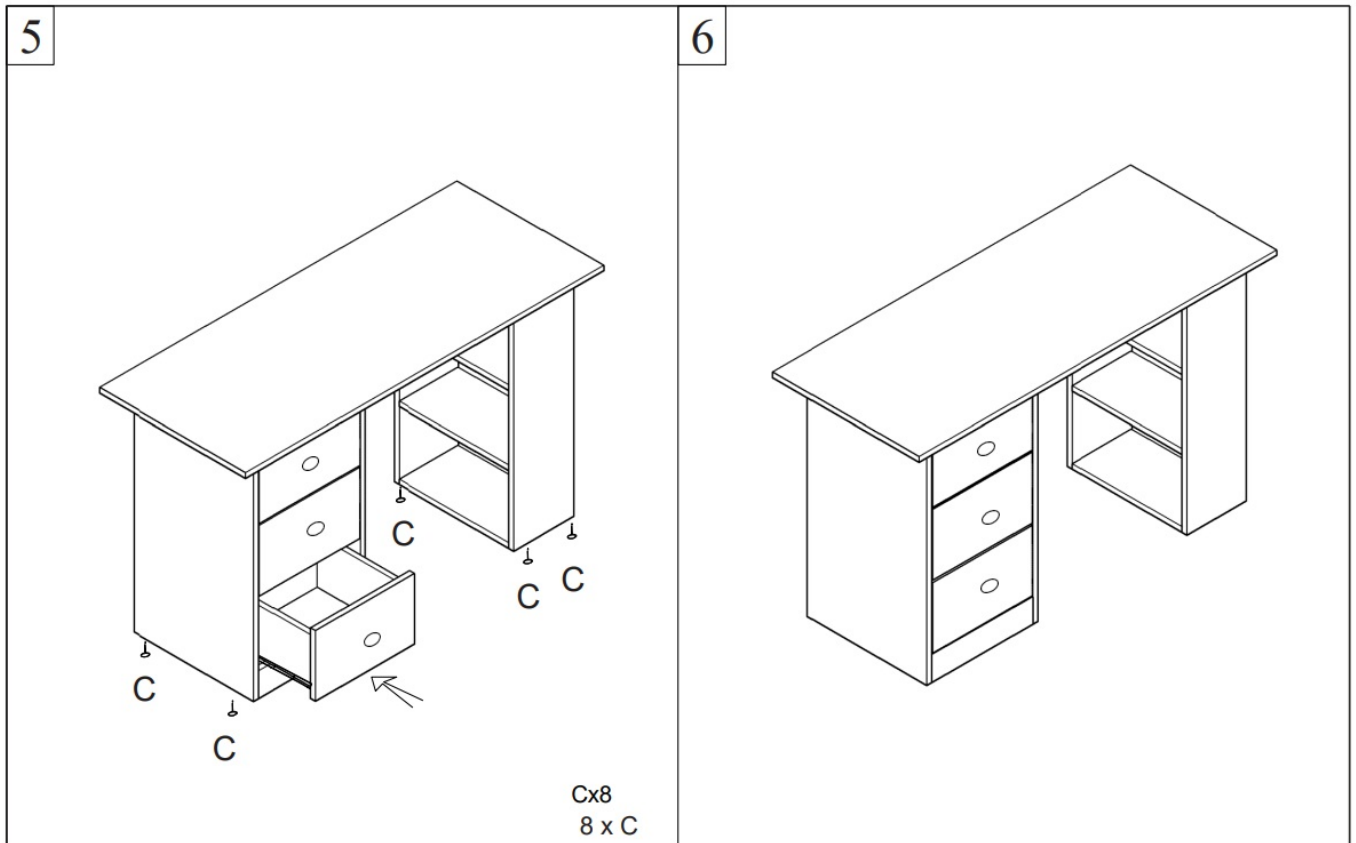

- **Q: How do I ensure proper alignment during assembly?**
 - A: Refer to the lined drawing in the manual and follow the numerical order of components to ensure correct alignment.
- **Q: Can I mount the product on any surface?**
 - A: It is recommended to mount the product on a flat and stable surface to ensure safety and stability.
